THEODORE THESING, [REDACTED], was interviewed at his residence, and he was advised that any information he provided was completely voluntary.

THESING displayed American Nazi Party (ANP) Membership Card Number 55 dated December 31, 1963. He also advised he had formerly been a member of the National States Rights Party (NSRP) and displayed Membership Card Number 200098 dated January 1960-61. He stated he had never attended any meetings of the NSRP while the membership card was valid, but that he believed in the ideology and tenets of the NSRP, in that they were anti-Negro and anti-Zionist-Jew Communism.

He stated, however, that he had on April 5, 1964, attended a meeting at the home of GILBERT PAQUETTE, Folcroft, Pa., which was an NSRP meeting. THESING said that PAQUETTE had called him on the telephone several days previously and told him of the group who was to meet at PAQUETTE's house and asked THESING to attend to add numbers and atmosphere to the group. PAQUETTE is aware of the fact that THESING has, for a long time, been extremely interested in the NSRP position regarding the Negro race and the Jewish minority in the United States. THESING denied knowing anyone at this meeting, except PAQUETTE. He also said that there were no principles or ideas put forth by anyone at this meeting which would result in any action against the [REDACTED] family who had moved into the Folcroft area last September and precipitated the riotous situation in the area. PAQUETTE declined to furnish any further information regarding this meeting and stated that he did not consider himself a member of this group, nor was he now active in the NSRP, even though he agreed with their principles.

THESING said that he has spent a great amount of money and time in purchasing and reading so-called rightist publications. He said these are all anti-Communist publications, and that his reason for spending all of this money and effort is to enlighten himself as to the Communist menace that is threatening the United States and the white world. He feels that Communism is a Zionist Jewish conspiracy to deliver the white world to Communist domination. He also feels that the current civil rights struggle in

which Negroes are attempting to gain their civil rights is a Zionist Communist conspiracy to lessen the ability of the United States to resist Communism. THESING, in conversation, continually speaks of "Jew-Communists" and "Niggers."

THESING said that the only reason for the current civil rights problem in Chester, Pa., is that State Senator WIENER is a card-carrying Communist who is instigating the entire situation. He said that Senator WIENER and his Communist backing were the ones who had bailed out the jailed civil rights demonstrators in Chester through cooperation of the Communist-dominated National Association for the Advancement of Colored People (NAACP) in Philadelphia.

THESING said that he is in complete agreement with the policies, action, attitudes, and ideology of GEORGE LINCOLN ROCKWELL, and the American Nazi Party. He said he was an associate member of the American Nazi Party, but could not explain the difference between an associate member and a member, even though he had displayed a card designating himself as a member of the ANP. He said that, as of the present time, he is the only American Nazi Party member or associate member of whom he knows in the Philadelphia area. He was aware of the fact that FBI Agents had interviewed THOMAS BLEMING recently; however, he said that TOM BLEMING was not nor ever had been a member of the ANP because he is too young. He also characterized BLEMING as a "blabber mouth" who does not know enough to keep his mouth shut. He said he considered BLEMING to be irresponsible, partly because of his youth and partly because he was a nut.

THESING stated that EVA HOFF, formerly of Philadelphia, had been an ardent Nazi and had done much good work in Philadelphia before she left in the summer of 1963 to go to live at the ROCKWELL Headquarters in Arlington, Va. He stated that, as of the present time, he is paying the rent on Philadelphia Post Office Box 342, Ninth and Market Streets Station, for his organization, the Nationalist Elite Guards. This box was formerly EVA HOFF's when she had it for the ANP and Fighting American Nationalists.

THESING also advised that a Nazi Party sympathizer in Philadelphia is [redacted], Telephone Number [redacted], who is a [redacted] by trade and is approximately [redacted] years old. [redacted],

his sister, lives with their mother and has telephone Number [redacted]. He said that [redacted] has contributed money to GEORGE LINCOLN ROCKWELL in Arlington, Va., and is sympathetic to the Nazi Party ideology. He stated, however, that he does not know that [redacted] has ever been a member of the ANP; also, [redacted] has not taken part in demonstrations, passed out literature, etc.

b6
b7c

THESING also said that he knew of no individuals in the Philadelphia area who were members of the "Minute Men." He said he had seen literature of the "Minute Men" and was aware of the fact that they expected a takeover of the United States by the Communists and they had contemplated training of members to fight in the streets when the Communists come, like the Hungarian Freedom Fighters had done in 1956.

THESING stated that he considered himself a Fascist and a disciple of national socialism. As a result of his wide reading of Nazi ideology, he had come to the conclusion that all heavy industry in the United States and national resources, forestry, mines, steel making, railroads, news media, etc., should be nationalized. This would be the only way to keep the United States from becoming a Communist nation after subversion by the Zionist Jews.

His idea to get the people of the United States aware of this threat of Communist takeover is that, for the past several years, he has been evolving in his mind a plan similar to the "Minute Men" which he calls the Nationalist Elite Guard. This would be a small group of dedicated, patriotic Americans who would have courage to resist the takeover of the United States by the Communists by fighting in the streets as a citizen militia, if necessary. He said the takeover of the United States by the Communists is not merely probable, but absolutely imminent if things continue on as they have and he feels people like himself must alert the patriotic Americans to this fact.

He said that he has Post Office Box 342 in Philadelphia as the mailing address of the Nationalist Elite Guard; however, as yet, he has no members. He stated he still is in the process of formulating a written statement regarding the basic ideas of the organization. He has talked with some people about his projected

organization, but no one he has talked to so far is willing to spend time and money to make the organization an existing fact. He declined to identify the people he had contacted. He advised he has disseminated, under the name of the Nationalist Elite Guard, information he has obtained from other rightist organizations by blockstamping the name, Nationalist Elite Guard, on this material. He advised that he has prepared nothing himself for dissemination and has not even prepared a formal statement of aims, purposes, and ideas for the Nationalist Elite Guard.

THESING denied any knowledge of an organization known as National Committee to Free German and Irish Political Prisoners. He advised that sometime ago there was activity to free RUDOLPH HESS sponsored primarily by an outfit in Washington State with the name of P.O.L.L., which he could not further identify. He advised he had heard nothing of that organization in some time and assumed it to be defunct. On further questioning, he denied any knowledge of picketing in front of the PSFS Building, Philadelphia, on behalf of the Committee to Free German and Irish Political Prisoners or any other organization which would have been conducting a demonstration in December 1963, directed by ROY FRANKHOUSER and TOM BLEMING.

He stated he has known ROY FRANKHOUSER, of Reading, Pa., who has been an ANP member and worker for the past several years, but he had a very low opinion of FRANKHOUSER. He characterized him as ignorant, arrogant, extremely demanding, and operating without authority from GEORGE LINCOLN ROCKWELL. He said he had had nothing but disagreeable relationships with FRANKHOUSER as long as he has known him, and any work that he (THESING) does for the ANP he does after direct communication with Commander ROCKWELL, rather than doing what FRANKHOUSER demands. As an example, the past summer FRANKHOUSER demanded money from THESING for a Party project, but, knowing FRANKHOUSER, THESING checked first with Commander ROCKWELL in Arlington and the activity to be undertaken by FRANKHOUSER was being done without the authority of ROCKWELL, and, as a result, THESING contributed no money to FRANKHOUSER's project.

PICKET OF GERMAN CONSULATE
PHILADELPHIA, PENNSYLVANIA
MAY 8, 1964
BY AMERICAN NAZI PARTY

TOM BLEWING, [redacted], Willow Grove, Pa., telephonically advised on April 28, 1964, that he was trying to get a group of people, who are followers of Commander GEORGE LINCOLN ROCKWELL of the American Nazi Party (ANP), together for a demonstration at 12:30 p.m., May 8, 1964, in front of the German Consulate, 12th and Market Streets, Philadelphia Savings Fund Society Building, Philadelphia, where the consulate is located. BLEWING said this demonstration is to protest the continued incarceration of HUDOLPH HESS, the ex-Nazi confidant and aide of ADOLPH HITLER. BLEWING did not know how many ANP followers he could get to take part, but he doubted more than ten. ROY FRANKHOUSER, ANP member, who resides in Reading, Pa., is supposed to take part. BLEWING declined to furnish any other identities, saying he did not know, as yet, but would keep the FBI informed as to his final plans.

b6
b7c

A characterization of the ANP is attached.

BLEWING said this demonstration is his own idea. It is being done with the approval of Commander ROCKWELL, but it is not an ANP activity or the activity of any other organization.

RACIAL DEMONSTRATION
PICKET OF GERMAN CONSULATE
PHILADELPHIA, PENNSYLVANIA
MAY 8, 1964
BY AMERICAN NAZI PARTY

THOMAS BLEMING, Willow Grove, Pa., telephonically advised a Special Agent of the FBI on May 7, 1964, that the planned demonstration by himself and possibly up to ten American Nazi Party (ANP) sympathizers would take place in front of the Philadelphia Savings Fund Society building, 12th and Market Streets, Philadelphia, Pa., where the West German Consulate in Philadelphia is located, at 12:00 Noon, May 8, 1964, for an hour or so. BLEMING said that no one in his group intended to wear ANP uniforms. They intend to carry picket signs protesting the continued imprisonment of RUDOLPH HESS in Spandau Prison, Germany. BLEMING said he expected ROY FRANKHOUSER, an ANP member from Reading, Pa., to take part, but he did not know for certain until FRANKHOUSER showed up because FRANKHOUSER is unreliable.

A characterization of the ANP is attached.

BLEMING also advised that he intended to present a petition to the German Consulate during the demonstration formally protesting the continued incarceration of RUDOLPH HESS.

Lieutenant [redacted], Commissioner's Office, Philadelphia, Pa., Police Department, advised on May 7, 1964, that BLEMING and his demonstrators would be arrested and charged with inciting to riot if any of them attempted to demonstrate in American Nazi Party uniforms. He stated that past experience of the Philadelphia Police Department shows that the open wearing of Nazi uniforms by Commander GEORGE LINCOLN ROCKWELL's adherents precipitates a riotous situation. He said the demonstrators will be allowed to picket without interference if this demonstration causes no disturbances.

Re Richmond letter to Philadelphia, 3-18-64.

A review of the files of the Richmond Division reveal the following references on subject which are apparently not in the possession of the Philadelphia Office:

The report of SA ROBERT E. ZINN dated 6-20-63, at Baltimore, and captioned "BERNARD LEO COOK, RM", contained an interview of COOK on 5-29-63, at which time COOK stated that on April 20, 1963, a party was held at the American Nazi Party (ANP) barracks, Arlington, Va., to commemorate HITLER's birthday. Among those present was ROY FRANKHOUSER. (RH 157-527-10).

A WFO letterhead memorandum captioned "AMERICAN NAZI PARTY, RM", and dated 6-12-63, related that Captain [REDACTED] Office of Special Investigations, Metropolitan PD, Washington, D.C., advised that FRANKHOUSER was among those members of the ANP who appeared in Nazi uniforms at Judiciary Square, 5th and E Sts., NW, Washington, D.C., at two PM that date. There were no incidents or arrests. (RH 157-93-3183).

b6

A WFO letterhead memorandum dated 6-14-63 and captioned "MARCH FOR FREEDOM NOW, 6-14-63, Washington, D.C., RM", stating that the ANP picketed the White House on this occasion and issued a "flyer" identifying those members of the ANP who participated including ROY FRANKHOUSER. (RH 157-93-3211).

A news clipping from the Pittsburgh, Pa. "Post Gazette", issued on 8-19-63, relating that FRANKHOUSER was one of those arrested in Pittsburgh on 8-18-63 on "hate literature" charges. FRANKHOUSER was one of those who went to jail, announcing that they were starting a hunger strike. (RH 157-93-3779).

The demonstrators carried placards principally concerning the background of BOYARD RUSTIN (RUSTIN was one of the leaders of the MARCH ON WASHINGTON, 8-28-63). (RH 157-93-3719).

Pittsburgh letterhead memorandum dated 8-21-63, captioned "MARCH ON WASHINGTON, 8-28-63, RM", reported that the Pittsburgh PD had received a letter signed by ROY FRANKHOUSER describing a "hate hike" which was to terminate at Pittsburgh, Pa., about 8-15-63. On 8-17-63, the Pittsburgh PD advised that on 8-17-64, FRANKHOUSER was one of those arrested for distributing literature and carrying placards indicating racial hatred. FRANKHOUSER was one of those committed to jail, but was released on 8-19-63 when money covering the amount of his fine was received by the Pittsburgh PD. (RH 157-220-36).

The following listed individuals have been interviewed by the Philadelphia Office since the submission of the last letter in this matter, and they have admitted interest and/or membership in rightist organizations; however, all of them also stated that there are no organizations of a membership nature of these types or groups in the Philadelphia Division:

WILLIAM T. CALEY, 30 West Avenue, Wayne, Pa., was interviewed, and advised he is extremely interested in the ultra-right point of view in American politics. He denied being a member of Minutemen. However, informants have advised he has a number of rifles and ammunition in the basement of his business establishment and home, the Caley Nursing Home.

TOM BLEMING, [redacted], Willow Grove, Pa., self-admitted former national leader of the White Youth Corps (WYC), was interviewed; and stated he had severed all connections with GEORGE LINCOLN ROCKWELL's Nazi Party. He stated, also, there was no organized American Nazi Party activity in the Philadelphia area.

b6
b7c

BLEMING recently attended the birthday celebration of ADOLPH HITLER at ROCKWELL's Virginia Headquarters; and after returning to the Philadelphia area, contacted the Federal Bureau of Investigation to advise he again is interested in and is going to go all out to make the Nazi ideology popular.

THEODORE THESING, [redacted], Philadelphia, Pa., was interviewed, and stated he is still interested in the rightist point of view; however, there is no American Nazi Party activity in Philadelphia area so far as he knows.

GEORGE F. JOHNSON, Upper Darby, Pa., was interviewed, and stated he is the founder, director, and sole motive force in the organization called Save Our National Security (SONS). He explained he has been unsuccessful in interesting people in this organization. He said it is an organization to point out the fallacy of the United States in being a member of and cooperating in the activity of the United Nations organization.

ROY FRANKHOUSER, 133 South Fifth Street, Reading, Pa., voluntarily continues to contact the Resident Agent at Reading, Pa., from time to time regarding his interest and activity in the American Nazi Party.

PH 157-50

Information furnished by these individuals tends to corroborate the fact that no organized hate activity exists in the Philadelphia Division.

Citizens, from time to time, submit to the Philadelphia Division copies of the "Christian Education Association Paper," ROCKWELL pamphlets, White Citizens Council type material, which they receive unsolicited through the mail from unknown and known sources.

Local Segregationist Acquitted of Charge

Baltimore, May 29 (AP)—Roy E. Frankhouser Jr., a 24-year-old segregationist from Reading, Pa., has been acquitted of disorderly conduct charges stemming from a speech last summer when the swimming pool at Riverdale Park was integrated.

Frankhouser had been found guilty in Municipal Court, but had appealed.

Judge Charles D. Harris ruled yesterday that a park rule forbidding separate events in the park without a permit is unconstitutional because it left "complete veto power to the park board as to what can or cannot be said in the parks."

BALTIMORE, MARYLAND
JUNE 22, 1964

On May 20, 1964, [redacted] State's Attorney's Office, Baltimore, Maryland, advised that ROY E. Mr. [redacted] advised that Judge CHARLES D. HARRIS had ruled that the park rule in that a person may not make a speech without a permit was unconstitutional and that he was clearing FRANKHOUSER solely on technical grounds and termed him a menace to public safety.

It is noted that FRANKHOUSER, self-admitted head of the Fighting American Nationalists and the American Nazi Party in the Reading, Pennsylvania area, was arrested on June 22, 1963, on the above charges after making an impassioned speech against intercession from the steps of a school adjacent to Riverside Park.

FIGHTING AMERICAN NATIONALISTS
BALTIMORE, MARYLAND

On October 8, 1963, RICHARD BERRY NORTON, former self-admitted Director of the Fighting American Nationalists (FAN), Baltimore group, advised Special Agents of the Federal Bureau of Investigation that the Baltimore group of FAN was first organized in the spring of 1961. He advised there is no official connection with the American Nazi Party (ANP), but that until December, 1962, his group in Baltimore had received all of their literature from the Rockwell group.

He further advised the Baltimore FAN group is composed of individuals who are in sympathy with the purposes and aims of the ANP and that the group was organized to teach and educate members along the FAN line.

He advised the group has no official headquarters but usually meets at 611 Cathedral Street, Baltimore, and uses Post Office Box 103, Baltimore, as a return address.

He also advised that the activities of the group are directed by CHARLES LUTHARDT, SR., Glen Burnie, Maryland, the only current officer. He continued that LUTHARDT was the former Public Relations man for FAN when he was the Director.

On October 11, 1963, a confidential source, who has furnished reliable information in the past, advised that FAN, Baltimore group, was entirely separate and not a part of the ANP.

ROY E. FRANKHOUSER, JR., aka

(OO-Philadelphia)

For information Richmond and WFO subject, whose identity is known to both offices as a follower of ROCKWELL and his ANP, has not been seen or reported around Reading, Pa., for several weeks. Efforts to locate him or determine his whereabouts through sources generally productive were negative.

On 6/4/64, subject's father ROY E. FRANKHOUSER, Sr., 133 South Fourth Street, Reading, Pa., was contacted under pretext of doing a neighborhood investigation on an applicant, and almost immediately FRANKHOUSER, Sr., expressed relief, saying in substance, "I was afraid you were coming for ROY." Thereafter, he voluntarily related the following:

ROY FRANKHOUSER, Jr., is affiliated with "that (profane) ROCKWELL, in spite of everything I can do." He is down in Arlington now as far as I know." Mr. FRANKHOUSER related that he had been very ill and was hospitalized early in the year. In spite of the fact that ROY had been taking care of him (since the two lived there alone) ROY packed up and left about the middle of February. Since then he has written to his father several times, always expressing hope that he will get well, but not doing anything to help. The last letter FRANKHOUSER wrote to his father was a Father's Day card postmarked Arlington, Va., 5/25/64, and bore the return address PO Box 108, Arlington. In it subject wrote that he was working as a bus boy at the International Club, Washington, D.C., and could be reached by writing to the Timekeeper, International Inn, Washington, D.C., a man named [redacted] (? indistinct?).

Party (national group), but severed his affiliation therewith in about the spring of 1962, and has since been active in support of GEORGE LINCOLN ROCKWELL's American Nazi Party. FRANKHOUSER has, on several occasions, been contacted openly by Agents at Reading, Pa., and at times has shown no reluctance to discuss his activities and those of some of his associates, although he is not always truthful and has a tendency to "build up his own importance," the size of his group, and the importance of their activities.

Indices of the Philadelphia Office are negative for [redacted].

Miss [redacted], Reading-Berks County Credit Bureau, made a check 6/15/64 with negative results. Detective [redacted], Reading, Pa., Police Department, likewise, checked 6/15/64 for any arrest record with negative results. The current telephone directory for Reading, Pa., and city directories for the years 1960 to date were negative for [redacted].

As Richmond and Washington Field were recently advised, FRANKHOUSER is presently believed in either Arlington, Va., or Washington, D.C. He was last known to have been in Reading, Pa., on or about 4/7/64, when he removed some packages from a commercial warehouse and had them taken to the residence of a friend.

[redacted]

The Richmond Leader was mentioned by name, but source is not sure if this was the paper ROY worked for.

(Source's description of [redacted] indicated he was the individual previously known, who is employed by [redacted], and who had some dealings with FRANKHOUSER.)

9/9/64

On 9/8/64, [redacted] called source and told him that ROY (FRANKHOUSER) might be returning to Reading soon. [redacted] lives alone at [redacted], Reading, Pa.; he is either separated or divorced, formerly lived in [redacted]. [redacted] got his information that FRANKHOUSER might return from people named [redacted] who are friends. [redacted] asked source to meet him [redacted], at 714 Penn Street, where he would introduce him to some "big people." Source will try to make it. Although unknown to source, 714 Penn Street is headquarters for the "Goldwater For President" group, locally.

9/10/64

Source was unable to make the meeting with [redacted], but did find out that 714 Penn Street is the Republican Party headquarters. He called [redacted] and told him he thought he was a "nut." [redacted] said that most of those people (at Goldwater Headquarters) are with "us," the American Nazi Party. [redacted] told source that [redacted] (whose last name he would not mention) was at Goldwater Headquarters. [redacted] had worked at [redacted] about three years, but was quitting his job in November to move to ROCKWELL's headquarters in Arlington, Va., on a full-time basis.

[redacted] later told source that [redacted] was giving "big money" to the ANP. Actually, there is a group within the Goldwater For President supporters, who are either ANP members or strong sympathizers. [redacted] is one of this group, and is [redacted]. [redacted], who works at 714 Penn Street, is another. [redacted] mentioned a paper printed in Washington, D. C., the "Liberty Lobby" as the one FRANKHOUSER is working for. ROY, according to [redacted], expects to come to town Saturday, 9/12/64.

9/11/64

Source related he had donated [redacted] to the Goldwater For President HQ, receiving a receipt, which he intends to let [redacted] see "accidentally." He also related that [redacted] had asked him to join the American Nazi Party and said he had applications. Source indicated he wants to think this over.

9/17/64

Source related that [redacted] called him [redacted] and he promised to join the ANP. Source believes that his reluctance to join this has made [redacted] wary of him. [redacted] related to source that sometime ago, the FBI had "hauled him in for questioning," but he had given them a story after hours of grilling, that fooled them completely. He told source to be very careful whom he contacts, but that he should urge other reliable persons who feel like we do, to join the Goldwater supporters and later, the ANP.

Re Richmond letter to Milwaukee 8/21/64.

ROY E. FRANKHOUSER, JR., was interviewed at Reading, Pa., on 9/28/64, and stated that he does not know subject. FRANKHOUSER claimed that in early 1962, he was in the Chicago area, and also visited Milwaukee and other cities in the Midwest, at which time he was still affiliated with the NSRP. He related that he had taken with him some NSRP literature which bore the address of the NSRP box in Reading, P. O. Box 1432, which he had distributed. He expressed the possibility that [REDACTED] might have obtained some of this literature and thereafter written to either the Reading box or headquarters in Birmingham, obtaining a membership card that way. FRANKHOUSER, who claims he has severed all ties with the NSRP, said that he had never kept any records for "obvious reasons."

He did relate that there had been a man named (FNU) [REDACTED] (phonetic), a [REDACTED], who had done some work for ROCKWELL and the ANP in Arlington, Va., about a year ago, but he knew nothing more of this person.

The available data regarding subject failed to refresh FRANKHOUSER's memory regarding [REDACTED].

Relet from Los Angeles 9/22/64.

Mr. , USPO, Reading, Pa., WHOSE IDENTITY MUST BE CONCEALED, advised 10/2/64 that PO Box 1432, Reading, Pa., is still held in the name of the National States Rights Party. This box was originally rented in this name 10/20/60 and rent has been paid regularly thereon. It was last paid for a three-month period on 9/28/64. Source stated that the person who paid him on this occasion was a short dark youth who appeared Italian. He could furnish no additional information in this regard. Source examined a photo of ROY FRANKHOUSER, JR., but was of the opinion that this was not the person who paid the box rent 9/28/64.

Source also advised that PO Box 431 is still held in the name of the Quad States Citizens Council. It was initially rented 10/3/60 and has been maintained in that name ever since. Last payment on this box was made 10/1/64; however, source did not receive this payment and cannot determine which clerk did.

It is known that FRANKHOUSER continues to receive mail at PO Box 1432 dealing with the ANP, and he is probably simply keeping the same box for his "new interest" without the formality of changing the name at the Post Office.

WILLIAM T. CALEY, 30 West Avenue, Wayne, Pa., continues to be interested in the Minutemen and he has contacted Lieutenant [REDACTED] (NA), Radnor Township Police Department, who keeps the Philadelphia Office informed as to CALEY's activities.

When interviewed previously, CALEY denied being a member of the Minutemen, which is an instruction to Minutemen by the organization.

THOMAS BLEMING, [REDACTED], Willow Grove, Pa., self-admitted former national leader of the White Youth Corps (WYC), continues to be active in support of GEORGE LINCOLN ROCKWELL and the ANP. BLEMING has published a type-written newsletter on cheap paper, which he calls the "Swastika," which promotes the ANP line. Two copies of this publication have been published, dated September and October-November 1964.

BLEMING continues to contact the Philadelphia Office several times a week by telephone to expound his Nazi sympathies; however, he insists he is not a member only a sympathizer of ROCKWELL.

ROY FRANKHOUSER, 133 South Fifth Street, Reading, Pa., continues to contact the Resident Agent in Reading, Pa., regarding his activities. FRANKHOUSER spent most of the summer of 1964 out of Reading and much of this time he alleges was spent with ROCKWELL in Arlington.

Citizens, from time to time, submit to the Philadelphia Office hate-type literature, which they have received unsolicited through the mails.

On [redacted]/64, PCI related that he had met ROY and [redacted] the evening of [redacted]/64. A very few minutes later [redacted] came in, saw them, and came to their table. However, from the remarks ROY and [redacted] made when they saw [redacted], PCI is sure they had not invited him and that they were sorry he had appeared. ROY appeared to be trying to tactfully persuade [redacted] to leave them alone, because his conversation revolved around the dangers of affiliation with the ANP. He told [redacted], for example, that [redacted] was one of the 104 local persons known to the FBI and State Police who are affiliated with or sympathetic to the ANP, and mentioned that [redacted]'s name is on the list at State Police Headquarters. ROY claimed to have seen this list and also a report of an interview between [redacted] and the FBI, although he did not say when or how he had seen these things. [redacted] and ROY all indicated that they knew [redacted] who was allegedly the leader of the group arrested recently in Corpus Christi, where a lot of weapons were seized.

The name of [redacted], of the Goldwater headquarters in Reading came up somehow and ROY mentioned that [redacted] had been one of the persons who marched with ROCKWELL over the mountain from Reading to the Lake where he spoke last year. [redacted] asked ROY why he never showed up at the Goldwater headquarters and ROY said he had made an agreement with [redacted] not to be seen there until after the election. [redacted] is, according to ROY, one of the men in charge of the Goldwater headquarters locally. He is [redacted]'s boss, according to ROY.

ROY told PCI that [redacted] is "one of us" and said that he has been in several similar groups in the past. ROY told PCI that [redacted] is presently president of the American Youth for Democracy chapter in Kutztown, Pa., and that this is just a front, he is actually very anti-Communist.

During this period ROY and [redacted] had been drinking rather heavily, but just beer. Then ROY said to [redacted] that he should [redacted] and walked away to dance with some girl. [redacted] was also on the dance floor at this time, and [redacted] asked PCI [redacted]

[redacted] PCI indicated

[redacted] that they would like to [redacted], and asked if PCI were interested in [redacted]. PCI related that he indicated some interest, in an attempt to learn [redacted], and [redacted] said that he would talk this over with ROY.

[redacted] related to PCI that he is dissatisfied with [redacted] at this time, and unless [redacted] he will [redacted]. At present [redacted] has a room somewhere in Reading, Pa., but he intends to [redacted] in the near future. About this time ROY returned [redacted] and asked [redacted] and [redacted] replied [redacted]

Once during the evening PCI overheard ROY telling [redacted] about some guns, and ROY said he has a Mauser, a Luger and a P-38. At about [redacted] PCI, ROY and [redacted] left while [redacted] was [redacted], thus getting away from him. ROY asked PCI, who was using his car, to drop him at 5th and Cherry Streets. En route there ROY and [redacted] were discussing [redacted]. [redacted] told ROY that he would have to [redacted]

[redacted] PCI cannot be certain if he understood this exactly, but got the impression that [redacted] was talking about having to wait until [redacted] before he could [redacted].

Although PCI did not actually see it, ROY seemed to be favoring one arm and PCI asked him if he had been hurt. ROY claimed that earlier on [redacted] he and [redacted] had been practicing judo and [redacted] had thrown ROY against a glass top table, which broke and cut ROY's arm. ROY indicated that the cut was not deep but was several inches long.

After PCI dropped ROY off, he [redacted]

[redacted] had left [redacted] drives a [redacted], which PCI said

looks something like a [redacted], but he is certain it is not. This car is [redacted]. While PCI and [redacted] were in [redacted], [redacted] came in and berated them for leaving him. [redacted] told him that he figured [redacted] was having too good a time [redacted] to want to leave, and would not have wanted to [redacted].

[redacted] brought up the name of [redacted] at one time and said that he had "a long discussion with [redacted]" and was surprised to learn that [redacted] and ROY were close friends. [redacted] said he was aware of this, that [redacted] is [redacted] and knows many influential people. According to [redacted], [redacted] personally [redacted] that [redacted] has at [redacted]. When PCI indicated that he did not believe this, [redacted] insisted that it was the truth.

Just before PCI [redacted], [redacted] said something about [redacted]. He had earlier indicated that he planned to [redacted].

On the morning of November 5, 1964, a source, who has furnished reliable information in the past, advised a Special Agent of the Federal Bureau of Investigation of certain information. The source pointed out that all of the information he has concerning the alleged threat is from statements made solely by ROY E. FRANKHOUSER, JR., and at the time FRANKHOUSER related this incident, he and [REDACTED] had been drinking [REDACTED].

According to the source, [REDACTED], ROY E. FRANKHOUSER, JR., [REDACTED], and [REDACTED] met at [REDACTED], Reading, Pa. It was FRANKHOUSER's [REDACTED], when the alleged statement was made. This group at [REDACTED] had been discussing the election, Goldwater's defeat, and what (they thought) would happen to the country if Johnson died and Humphrey took over as President.

FRANKHOUSER told the others present that earlier that date, [REDACTED], 1964, he (FRANKHOUSER) had been at the Headquarters of Citizens for Goldwater, 714 Penn Street, Reading, Pa., helping to clean up and dismantle equipment preparatory to closing. [REDACTED], who before the election had worked at this establishment for Goldwater, suddenly entered the establishment. He was very excited, grabbed FRANKHOUSER by the shoulder, and told him that he was going to get a gun and do something because the election is lost. FRANKHOUSER claimed he had to calm down [REDACTED].

It is noted that statement attributed to [REDACTED] by FRANKHOUSER makes no specific threat against Johnson, Humphrey, or any other specific individual. The source concludes that

AMERICAN NAZI PARTY

On November 23, 1964, a source advised that Colonel Alan J. Welch, Deputy Commander of the American Nazi Party (ANP), Arlington, Va., contemplates a trip to "upstate New York" on November 29, 1964.

A characterization of the American Nazi Party is attached hereto.

Source got this information from Roy E. Frankhouser, Jr., and was not able to get all details, but apparently present plans call for Welch to go to Reading, Pa., on the bus on Saturday, November 28, 1964, where he will be met by Roy Frankhouser and Hans Eric Schweikert. Welch will spend the night of November 28, 1964, with Schweikert and the next morning these three, accompanied by Fred Polzin of Parkesburg, Pa., and possibly another individual, Fred Weiss, of Philadelphia, Pa., will drive to upstate New York to meet a person Frankhouser described as a "big shot."

Source was only able to state that Frankhouser mentioned they will have to cross the Hudson River and he also said that the person they are to meet is from Germany, and it will be handy to have Schweikert along as he speaks fluent German in case they have a language problem.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, aka
The George Lincoln Rockwell Party

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964 a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "the attainment of power through the votes of the newly-won masses."

On February 17, 1964, Karl Rogers Allen, Jr., former Deputy National Commander of the ANP, advised that George Lincoln Rockwell believes that he has completed the first two phases in his struggle for power and is now well into the third phase. Allen said, however, in his opinion, Rockwell has only completed phase one.

On 11/24/64, [redacted] who has furnished reliable information in the past, advised that sometime within the next week or two, exact date unknown, DAN BURNOS, ROY FRANKHOUSER, ERIC SCHULTE, aka Seidlitz, FRED POLZIN and GEORGE LINCOLN ROCKWELL or ALAN WEISS, the last two both of the American Nazi Party, are all scheduled to meet at the farm of FREDERICK WEISS, Middletown, NY.

The purpose of the meeting is reportedly to persuade WEISS to assist them financially.

The source described WEISS as an "old timer long active Nazi-like groups."

The source further stated that FRANKHOUSER, SCHULTE, and POLZIN are all either from the Philadelphia or Reading areas of Pennsylvania.

The above is furnished for the information of Richmond and Philadelphia and further investigation is being left to their discretion.

Baltimore Racial Informant (probationary), [redacted], on 11/26/64 advised that on 11/15/64 he was contacted by ROY E. FRANKHOUSER, JR. of Reading, Pennsylvania. He indicated that he would like [redacted] to write for this publication under a pen name.

On 11/19/64 [redacted] received a copy of "The Free American" from FRANKHOUSER. In the accompanying letter FRANKHOUSER urged [redacted] to subscribe to the publication and to write DAN (BURROS) in New York and give his cover name.

"The Free American" reflects that Editor DAN BURROS was convicted on June 10, of the crimes of riot, conspiracy and weapons charges and after two months in jail and prison at Sing Sing, he has been freed on an Appeal Bond of \$7,500.

[] said that FRANKHOUSER told him that FREDERICK CHARLES WEISS was a member of the Bund in New York prior to World War II and was interned during the war. It is []'s understanding that WEISS resides on a farm about 40 miles from NYC somewhere above Ossining.

On 11/25/64, contact was effected with ROY E. FRANKHOUSER, Jr., Reading, Pa. FRANKHOUSER's father, ROY E. FRANKHOUSER, Sr., 133 South 4th Street, advised that he had not seen his son for sometime and had no idea where he was or how he could be reached. He indicated that he guessed ROY was out-of-town.

Approximately one hour later, ROY E. FRANKHOUSER, Jr., contacted writer. ROY mentioned that he had left his father's place just before agent called for him, and fortunately he had returned shortly afterwards and had just gotten the message. FRANKHOUSER indicated that he is glad to cooperate with the FBI, although his thinking is unchanged. He went into a long dissertation about the ANP and how ROCKWELL wants to cooperate fully. They will not condone any acts of violence.

FRANKHOUSER stated that the name [REDACTED] is unknown to him and for this reason he "cannot be a person of any significance." According to FRANKHOUSER, there is not any active ANP group in Allentown, although there are four or so groups who "think along similar lines," but are not affiliated with the ANP. One of these is the John Birch Society, but he declined to name the others.

According to FRANKHOUSER, there are five types of persons who contact the ANP. One is the "curiosity seeker," who reads about ROCKWELL and contacts him by mail or in person once, just to satisfy his curiosity. Another is the "sympathizer" who agrees with the ANP views but does nothing more in any way. Another is the sympathizer who contributes funds. These persons, however, will not participate in any meetings or activities

and do not actually become members. Still another group are the ANP members who contribute support financially and will attend some meetings and discussions, but stop short of anything that will result in publicity. The last group are ROCKWELL's sincere and loyal followers to whom his word is law. They are active members, contribute time (and when they have it money) and will, if necessary, engage in picketing, demonstrations, and mass activities which frequently result in fights and arrests.

FRANKHOUSER stated he used to belong to the last group, but in recent months has shunned publicity and is still trying to secure regular employment at present. He stated that "in recent months we have not been active," although he still receives literature and written letters for the Commander.

FRANKHOUSER stated that ANP headquarters consult him whenever they are contacted by anyone from the area who indicates an interest in the ANP. Sometimes FRANKHOUSER is able to advise that the person asked about is, for one reason or another, not a likely candidate for membership, but sometimes he contacts them to determine their qualifications or fitness for affiliation.

As always, FRANKHOUSER in his conversation seemed to be trying to build up his own importance and stressing his devotion to the ANP. He mentioned that although not "physically active," he is writing many letters to various groups, such as John Birchers, trying to bring them altogether. He mentioned his and the Commander's regard for the FBI and their desire to abide by the laws. He also stated that he, FRANKHOUSER, would be the first person to report to the FBI the possibility of anyone who might resort to violence or assault or kill some prominent person.

ROY E. FRANKHOUSER, JR., CANNOT BE REGARDED AS A RELIABLE SOURCE, AND THE FACT THAT HE STATED THE NAME [REDACTED] WAS UNFAMILIAR TO HIM SHOULD NOT BE REGARDED AS NECESSARILY TRUE. HE WAS OBSERVED CLOSELY WHEN SUBJECT'S NAME WAS FIRST MENTIONED AND GAVE NO VISIBLE INDICATION OF SURPRISE OR ANY SIMILAR EMOTION.

Source furnished the following information on
11/23/64:

Saturday morning (11/21/64), ROY FRANKHOUSER, JR., HANS ERIC SCHWEIKERT, and WILSON LOTZ brought a lot of World War I and World War II souvenirs, almost all German, to the Millmont Building and Supply Company, 310 Upland Avenue, Reading, Pa., where a sale was to be conducted. They arranged these items on tables in the large room, and hung a large Nazi flag from one wall.

Source does not know if all these items belonged to these persons or not. He does know that the "sale" had been advertised by posters displayed in various locations, also by an ad in the local papers. Approximately 25 persons came at various times from about 11:00 a.m. to 4:00 p.m., and source was able to obtain a couple license numbers, plus the names of two "customers" as follows:

MR. [REDACTED] and his wife, [REDACTED]

Unknown persons in a blue Falcon, Pennsylvania

An attractive blonde woman about [redacted] years old,
accompanied by a boy about [redacted] years old, Pennsylvania license
[redacted].

ROY FRANKHOUSER had a German Luger and at least two
German Mauser Rifles on display; none of these were sold, and
if any weapons changed hands, source is not aware of it.

[redacted]
[redacted]
[redacted] drove directly to
Arlington, Va., and to 928 North Randolph Street, ROCKWELL's
headquarters, where [redacted]. No one
was there, except some young man who was on duty to "protect
the premises." ROY showed source around the quarters. [redacted]
had allegedly been there once before. Then [redacted] proceeded
to ROCKWELL's other establishment, the Barracks, where source
met Deputy Commander ALAN J. WELCH. ROCKWELL, according to
WELCH, was out of town.

Source was shown around the Barracks, and said that
they have a large amount of office type machines, including
IBM electric typewriters, mimeograph machines, and similar
items. Source also observed a tall, blonde, attractive woman
there who ROY told him was the Commander's secretary. ROY
said this woman works at the Barracks part time. She is
actually the secretary of a congressman, and contributes a
portion of her salary each week to ROCKWELL's cause.

Col. ALAN WELCH, in the presence of FRANKHOUSER,
spoke with source at some length after [redacted]
[redacted]. ROY indicated he does not trust [redacted].
In this conversation between the three of them WELCH asked

[redacted]
source if he was ready to join the ANP openly, and source "hedged," explaining that [redacted]

[redacted] WELCH, according to source, saw the sense of this, and promised to send source a registered letter with some details of how he can help without having his identity revealed.

Col. WELCH and ROY FRANKHOUSER discussed WELCH's plans for next weekend, and WELCH indicated he expects to come to Reading, Pa., next Saturday, 11/28/64. His plans call for him to arrive by bus. He will be met by FRANKHOUSER and SCHWEIKERT and spend the night at SCHWEIKERT's place. FRED POLZIN is also coming, and FRED WEISS may come, too. POLZIN lives in Parkesburg, Pa., and WEISS is from Philadelphia, where he has a business with a name like "Hydrofoil" (ph). ROY, HANS, WELCH, and POLZIN (also WEISS if he comes) are going to drive to upstate New York Sunday, 11/29/64, where they will meet with some individual in that area. ROY mentioned that this person is a "big shot" and is from Germany. It will be valuable to have SCHWEIKERT along because SCHWEIKERT speaks fluent German if there is any language problem.

En route back to Reading, Pa., source was sounding FRANKHOUSER out on the actual size of the Reading group, and FRANKHOUSER for the most part evaded the question. FRANKHOUSER talked more about other areas and how the Reading group has spread out to other areas. According to ROY, a fellow named [redacted], originally from Reading, is now in California, where he is very active, and a fellow named [redacted], from [redacted] Reading, Pa., whom ROY first interested in the ANP, is now working for the Party in Washington, D. C. [redacted] works for the Federal Government, but ROY did not mention his first name or say what department he is in.

ROY indicated that he visits ROCKWELL's headquarters frequently. Most of the time he hitchhikes back and forth as he has no car of his own.

During the conversation at headquarters, FRANKHOUSER mentioned that they may get rid of the space at 928 North

Randolph Street and use the money derived from this to fix up the other building, the Barracks. According to ROY, there is a new building (possibly an apartment house) going to be erected across from 928 and the space is needed for parking facilities. This will provide a nice sum (FRANKHOUSER mentioned \$25,000 for the Party).

Source said that ROY does not trust [REDACTED], and FRANKHOUSER spoke much more freely when [REDACTED] was not around than when he was.

For information Washington Field and Richmond, ROY E. FRANKHOUSER, JR., admitted American Nazi Party member, told a source on 11/22/64, that a fellow named [redacted], from [redacted], whom FRANKHOUSER first interested in the ANP, is now working for the Party in Washington, D. C., and according to what FRANKHOUSER also told the source, is employed by the Federal Government.

Although source, [redacted] RI (PROB) is reliable, information from FRANKHOUSER all tends to magnify his own importance, and cannot be depended on. In this connection it is noted that at the same time he mentioned [redacted] FRANKHOUSER told of another person formerly from Reading, Pa., who is now in California, where he is very active. This latter person, who was a symbol informant, was in California but has since returned to Philadelphia, and has dropped all affiliation with the ANP. Either FRANKHOUSER is not aware of this or he is intentionally lying to build up his own importance.

Through pretext inquiry of attempting to locate a deserter, [redacted] (PH 42-13286), [redacted], Reading, Pa., owner of [redacted] (formerly [redacted]), was contacted. [redacted] is single and has no children. However, it was ascertained that he has a brother, [redacted], about [redacted] years of age, who is employed in Washington, D. C. [redacted] stated that [redacted] had formerly worked as a [redacted] at the establishment there, but drank heavily and [redacted] fired him. About eight months ago [redacted], who owns an apartment house in Wyomissing, Pa., went to Washington, D. C., where he is now working. [redacted] said his brother works in "an atomic cafeteria" that serves about 5,000 people daily, and he is a Government employee. [redacted] is in charge of a large number of Negro dishwashers.

[redacted] said he does not know what agency his brother works for or his Washington, D. C. address, but [redacted] does come home almost every weekend.

Records of the Wyomissing, Pa. Police Department checked 12/9/64, failed to reflect any current employment for [redacted] except "musician." He was once arrested for violation of a Borough Sewer Ordinance, but has no local criminal record.

Miss [redacted], Reading-Berks County Credit Bureau, advised her files reflect [redacted], owner of the property at [redacted], Wyomissing, Pa., is separated from his wife, [redacted]. In 1963 he was allegedly self employed as a free lance agent. He was formerly with [redacted], Philadelphia, Pa., about ten years and had also been a [redacted] at [redacted].

Mrs. [redacted], Whitfield, Reading, Pa., sister of [redacted] and [redacted], also interviewed 12/9/64, under the Deserter Pretext, advised that [redacted] is separated; she cares for his [redacted] year old son. [redacted] resides at [redacted], Washington, D. C., telephone [redacted], and is employed in the cafeteria of [redacted].

According to Mrs. [redacted], [redacted] comes home most weekends. She is certain he will be home 12/11/64, as he is also a musician and has a date to play at some bar Friday night. He can be reached at his home, [redacted], Wyomissing, Pa., telephone [redacted], at about 10:00 a.m., Saturday, 12/12/64.

[redacted] was interviewed 12/12/64, at Reading, Pa., regarding his alleged acquaintance with [redacted], Marine Corps Serial Number [redacted], FUDE (PH 42-13286), but advised that he was not acquainted with this person. During the interview the following was determined:

[redacted] is [redacted] years of age. He had formerly worked at his brother's place, then known as [redacted], Reading, Pa., now known as [redacted]. About a year and a half ago subject left the position

there and since January 1964, he has been employed in Washington, D. C. He is not a government employee, but works for [redacted], a private concern that operates the cafeterias in the Government buildings. For about eight months [redacted] had worked in [redacted], but since August he has been in the cafeteria in [redacted]. He comes home most weekends, as he has a [redacted] year old son in Reading. [redacted] and his wife are separated he stated.

[redacted] recalled that an Agent had interviewed him a couple years ago about "a fellow named FRANKHOUSER" and when initially contacted asked if this was the reason the Agent wanted to see him. He was told it was not, but he was then asked if he had any additional information about FRANKHOUSER. [redacted] stated that he had not. He related that once last summer he had seen FRANKHOUSER in Washington, D. C. ROY had been picketing some ministers who were conducting a vigil, just prior to passage of the Civil Rights Bill. [redacted] said that he spoke briefly to ROY at that time, and kidded him about his activities. He has neither seen nor had any contact with FRANKHOUSER except on this one occasion since leaving [redacted] about mid-1963.

It appears that subject's activity in the ANP is a figment of FRANKHOUSER's imagination, and Philadelphia contemplates no further action unless warranted by information received from Washington Field or Richmond. Inasmuch as [redacted] is not a Federal employee, no letterhead memorandum is being submitted to the Bureau.

Military Service

A source of the Philadelphia Office, who has furnished reliable information in the past, advised on February 17, 1958, that FRANKHOUSER enlisted in the United States Army on November 6, 1956, at Reading, Pa., and was assigned Army Serial Number 13 595 185.

[redacted], Agent in Charge, 701st CIC Detachment, Fort Bragg, N. C., advised on November 15, 1957, that FRANKHOUSER was to be discharged from the Army November 18, 1957, under Honorable Conditions.

Residences

On October 22, 1964, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that he was then residing with his father, ROY FRANKHOUSER, SR., at 133 South Fourth Street, Reading, Pa., but expected, in the near future, to get himself a small apartment in Reading, Pa.

On December 16, 1963, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that he was then residing at [redacted], Reading, Pa. He also mentioned former addresses of 153 West Oley Street; 433 South Fifth Street; 133 South Fourth Street, all Reading, Pa.; and [redacted], Pa., at this time.

Education

On March 8, 1956, [redacted] of Northwest Junior High School, Reading, Pa., advised that ROY FRANKHOUSER, at that time, was a student there in the ninth grade. It may be noted that in November of the same year, FRANKHOUSER enlisted in the Armed Services.

Evidence Indicating Emotional Instability

[redacted], CIC, Fort Bragg, N. C., advised on July 30, 1957, that in February of the same year, FRANKHOUSER advised he was interested in the Ku Klux Klan (KKK), and wanted to meet some Klansmen so he could join. According to [redacted], FRANKHOUSER was, thereafter, interviewed relative

to this statement, which he admitted; but claimed it had been for the purpose of gathering information for Military Intelligence. [redacted] stated that CIC concluded FRANKHOUSER was a "mixed up young man," and he had been referred to the United States Army Hospital at Fort Bragg for psychiatric treatment.

GEORGE LINCOLN ROCKWELL, Commander, American Nazi Party, stated on December 8, 1963, that FRANKHOUSER is an irrational person, who is not actually dangerous. However, according to ROCKWELL, he is "surreptitious - like a rat" and is not to be trusted.

A second source of the Philadelphia Office, who has furnished reliable information in the past, and who was in fairly close contact with FRANKHOUSER from 1960 through 1962, advised on numerous occasions that FRANKHOUSER was "off his rocker." This source characterized FRANKHOUSER as being an individual who would do anything or make any statement to build himself up in his own eyes and the minds of others, who often made wild plans that never materialized, and who was completely unreliable in every respect.

On July 17, 1962, [redacted], who was an admitted associate of FRANKHOUSER at one time, stated that FRANKHOUSER is an "odd ball." [redacted] said he reads omnivorously and can discuss many subjects intelligently, but at other times talks wildly and irrationally, as if he was "off his rocker."

Possession of or Access to Firearms

On November 18, 1959, a second source of the Philadelphia Office, who has furnished reliable information in the past, advised that ROY FRANKHOUSER owns a .32 caliber Mauser Automatic.

[redacted], a Ranger Team Commander in the CAP, to which FRANKHOUSER once belonged, advised on May 4, 1960, that FRANKHOUSER had a Colt .45 Automatic, a German Luger (caliber unknown), and a small "foreign automatic."

Mrs. [redacted] Young Men's Christian Association (YMCA), Reading, Pa., where FRANKHOUSER was then residing, advised on October 18, 1962, that FRANKHOUSER had two small pistols in his room.

On March 27, 1962, then Detective Captain [] [] Reading, Pa., Police Department, advised that FRANKHOUSER had applied for approval to purchase a Walther P-38 pistol, and [] had no alternative but to approve this request.

b7C

Criminal Record

A check of the Identification Division, Federal Bureau of Investigation, Washington, D. C., in November 1963, reflected that FRANKHOUSER had no arrest record on file.

FRANKHOUSER has admitted being "arrested" on numerous occasions in several localities in connection with racial demonstrations, passing out literature, picketing, and other similar incidents.

Also, newspaper accounts have carried reports of his arrest in several locations.

FRANKHOUSER, without exception, has maintained these charges were either "trumped up" or else he was only protecting himself from assault by others, and he always claims at some later date that these "arrest charges" have been dropped or his convictions reversed on appeal.

Employment

On November 6, 1963, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that he was working as a salesman at OPO Clothes, Eighth and Penn Streets, Reading, Pa.

On several occasions recently, the latest being October 22, 1964, FRANKHOUSER has advised a Special Agent of the Federal Bureau of Investigation that he has not been gainfully employed since leaving Reading, Pa., last spring. He maintained that in the interim between then and his recent return, he had been in Arlington, Va., and other places, and has been actively campaigning for Alabama Governor WALLACE. Now, FRANKHOUSER states, he is "about broke" and it is his intention to temporarily terminate his "political activity" and get a job to recoup his finances.

Activity in the ANP

On March 22, 1962, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that he was resigning from the National States Rights Party (NSRP), of which he had been National Organizer, because of "ideological differences" with "EDDIE" FIELDS. FRANKHOUSER related, at this time, that he was in the process of forming a new local group.

The February 1962 issue of the "Stormtrooper," self described as the official organ of the ANP, reported that ROY FRANKHOUSER, National Organizer of the NSRP, has resigned from that organization to become a fighting stormtrooper in the ANP.

On March 21, 1963, Detective Captain [REDACTED], Reading, Pa., Police Department, advised that earlier that date, one PAUL ULHRIG of the ANP Headquarters, Arlington, Va., was picketing the showing of the movie "Hitler" in the Reading Theater and passing out pro-Nazi propaganda. ROY FRANKHOUSER was standing across the street observing the activity.

b6
b7c

On October 18, 1962, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that on October 12, 1962, he and other members of the ANP had been in Philadelphia picketing the Adelphia Hotel, where GUS HALL, Communist Party (CP) leader, was speaking. FRANKHOUSER said he was picked up for questioning but released when the police determined he was only passing out literature. He claimed he later returned to the hotel and passed out about 2,000 pieces of Fighting American Nationalist (FAN) literature.

On May 3, 1963, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that he is under explicit instructions from Commander ROCKWELL to implicitly obey all laws and cooperate with the Federal Bureau of Investigation. FRANKHOUSER claimed, on this occasion, he had not passed out the ANP stickers and leaflets which had recently been distributed locally, and explained that several persons in the area, unknown to him, are getting ANP literature directly from Arlington by mail.

On May 27, 1963, FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that ROCKWELL had been in Reading, Pa., the day previous, and made a speech at the Band Shell in City Park. ROCKWELL was allegedly accompanied by about twenty of "his group" from Arlington, Va. Thereafter, the group hiked across the mountain to Antietam Lake, where ROCKWELL spoke again to a still larger group.

City police and patrol cars, who had been on duty in that area that date, reportedly observed no activity around the Band Shell in City Park; but officers of Lower Alsace Township observed several cars, including an old black limousine, with Virginia license plates, but they observed nothing out of the ordinary.

A Reading, Pa., weekly paper, "The Berks County Record," however, reported that ROCKWELL had spoken to a small group at Antietam Lake, which is across the mountain from Reading City Park and is located in Lower Alsace Township.

On June 30, 1963, the National Association for the Advancement of Colored People (NAACP), Reading Chapter, held a rally with about ninety persons in attendance; and Reading Officer [redacted] advised that earlier that date, he had stopped a truck near the site, which was bearing anti-Negro signs and slogans, and the name "FAN." ROY FRANKHOUSER and another youth, driving, were in this truck, and both wore armbands with "FAN" on them. The two youths were persuaded to leave the area.

b6
b7C

On August 2, 1963, [redacted] for Parish Pressed Steel, a Reading, Pa., manufacturing concern, chased ROY FRANKHOUSER off one of the company's private parking lots, where he had been putting a leaflet, entitled "FAN Action," on cars. FRANKHOUSER got away, but was subsequently arrested and charged with trespassing. At a hearing, the charges were dropped, however. This leaflet exhorted whites to rise up and march against the Negroes when they made their "March on Washington" on August 28, 1963.

On August 15, 1963, Chief of Police E. PRESTON PRICE, Harrisburg, Pa., advised that FRANKHOUSER and one JOHN PATLER had been stopped from passing out leaflets in Harrisburg, Pa., but had been permitted to pass out these items in front of the State Capitol, where they also carried placards.

announcing they were on a "Hate Hike" through Pennsylvania, recruiting whites to demonstrate in Washington, D. C., on August 28, 1963, against the Negroes planning to be there on that date.

A source of the Richmond Office, who has furnished reliable information in the past, advised on August 28, 1963, that FRANKHOUSER was one of the group of persons who left ANP Headquarters in Arlington, Va., with ROCKWELL to conduct a counter-demonstration on the Washington Monument Grounds, Washington, D. C., on that date.

On January 5, 1964, and again on March 23, 1964, ROY FRANKHOUSER advised a Special Agent of the Federal Bureau of Investigation that "we" have been inactive over the winter, but are planning to resume activities in the spring. On March 23, 1964, FRANKHOUSER also stated that a mass meeting at ROCKWELL's headquarters in Arlington, on April 19, 1964, will be the prelude to renewed activity, beginning the following day. However, it is not anticipated that there will be any activity in Reading, Pa., and "we" may concentrate on Chester, Pa., where there was already some racial agitation among the Negroes.

A third source of the Philadelphia Office, who has furnished reliable information in the past, and who was contacted on numerous occasions over the summer months, had no information indicating any ANP activity in the Reading, Pa., area; and he had neither seen nor heard from or of FRANKHOUSER. There was some indication that FRANKHOUSER was "down South."

On September 28, 1964, FRANKHOUSER contacted a Special Agent of the Federal Bureau of Investigation, and announced that he was back in Reading, Pa. FRANKHOUSER stated he had been away, working for Alabama Governor WALLACE in his campaign.

The third source of the Philadelphia Office, who has had repeated contacts with FRANKHOUSER, and who is a known associate of his since mid-September 1964, has advised on several occasions, the latest being October 29, 1964, that ROY FRANKHOUSER is "around town" and apparently staying with his mother and father, by turns. He is looking for employment,

and has approached the source, asking for a job. ROY has not indicated any activity or plans for activity, other than support of Presidential Candidate BARRY GOLDWATER. ROY is personally not taking any active part in GOLDWATER's campaign, even staying away from public rallies and a public appearance of Vice Presidential Candidate WILLIAM MILLER, as he is well aware his appearance or support would not be welcome and would alienate others who do support the Republican candidates.

On October 22, 1964, FRANKHOUSER made a statement to a Special Agent of the Federal Bureau of Investigation to the effect that he admitted he was working "underground" for GOLDWATER since open support would be very embarrassing.

On the evening of 12/21/64, source telephonically advised that he had accidentally met ROY FRANKHOUSER in downtown Reading about 5:00 p.m. this date. ROY and he had a cup of coffee and sat talking for awhile in the luncheonette at Fifth and Court Streets. During this time ROY, who indicated

AMERICAN NAZI PARTY

On November 23, 1964, a confidential source advised that Colonel ALAN J. WELCH, Deputy Commander of the American Nazi Party (ANP), Arlington, Va., contemplated a trip to "upstate New York" on November 29, 1964. A characterization of the ANP is attached.

On December 2, 1964, a neighbor of FREDERICK WEISS, Schwangunk Road, Mount Hope, N.Y., advised that WEISS and his wife are both in ill health and to the neighbor's knowledge were home and had no company on November 29 - December 1, 1964. WEISS himself returned to New York City on December 2, 1964.

A second confidential source advised November 24, 1964, that sometime in the near future ROY FRANKHOUSER, ERIC SCHWEIKERT, FRED POLZIN, DAN BURROS and either ALAN WELCH or GEORGE LINCOLN ROCKWELL, of the ANP were to meet at the farm of FREDERICK WEISS, Middletown, N.Y. This source described FREDERICK WEISS as an old timer, long active in Nazi-like groups. The purpose of the visit was to interest WEISS in giving them financial support. FRANKHOUSER, SCHWEIKERT, AND POLZIN were all said to be from the Philadelphia or Reading, Pa., areas.

A third confidential source related that ROY FRANKHOUSER had sent [redacted], a copy of "The Free American", a new publication edited by DAN BURROS and financially backed by FREDERICK WEISS. [redacted]

[REDACTED]

ROY later told source that [REDACTED] is the individual
[REDACTED] wrote to him about. ROY said that [REDACTED] is to head
a local Reading Group affiliated with "us," meaning source said
affiliated with the American Nazi Party. ROY also asked source
if he would assist ROY with [REDACTED]
[REDACTED] and source agreed.

ROY told source that he (ROY) is going to get source
an application for membership in a local "Sportsmans Club" in
Berks County. ROY did not name the Club but explained to
source that this Club is actually a "front" for the men who,
under ROY, are training in guerilla tactics. As members of this
Club they have the right to carry rifles to and from the range
and can explain their presence if they should be stopped.

According to source, [REDACTED] seems as if he has known
ROY a long time, but ROY indicated they only met recently.

Source furnished the following information on the
dates noted:

On [REDACTED]/65 source advised that he had seen [REDACTED]
[REDACTED] the night before. [REDACTED] had given source some literature
to turn over to [REDACTED]. This literature, which [REDACTED]
claimed he had obtained by writing for it, was from the
Minutemen organization. It consisted of a leaflet "The
Minutemen" with the address of Post Office Box 68, Narborne,
Missouri; a pamphlet, "Principles of Guerilla Warfare," and
a leaflet "On Target," all published by the Minutemen.

On this same evening ([REDACTED]/65), according to source,
[REDACTED] had told source that a few days before [REDACTED], ROY
FRANKHOUSER, [REDACTED] and [REDACTED] had a party at [REDACTED]'s
home, the purpose being to celebrate [REDACTED]'s having joined the
American Nazi Party (ANP). According to what [REDACTED] told the
source, they ran out of beer and ROY went out to buy more.
Apparently the bartender where ROY went recognized him and at
first refused to sell him any beer. ROY threatened to call the
FBI and complain that his civil rights were being violated and,
in fact, did go to the telephone in the bar and make a call.
Thereafter the bartender sold him some beer.

On 1/7/65 source reported that on the evening of [redacted] /65 he had given [redacted] the above-mentioned Minutemen literature. [redacted] looked this over and stated, in substance, that this was not the sort of organization he was interested in. Later the same date, source advised that he had [redacted]. A short time before, ROY had called [redacted] on the phone and source was able to hear some of what was said. Apparently ROY was [redacted] because [redacted] had called [redacted] attempting to reach ROY and had mentioned something to [redacted] about ROY's association with the ANP. When [redacted] mentioned to ROY that [redacted] was there, ROY spoke to [redacted] on the phone and cautioned him to say nothing to [redacted] about the Free Corps. ROY told [redacted] that [redacted] is not to be trusted too far. ROY indicated to [redacted] that something big is being planned for an indefinite period, but probably about ten days hence. ROY would not discuss it further on the phone but will tell [redacted] all about it when he next sees him. [redacted] and FRANKHOUSER plan to meet [redacted] night ([redacted] /65) at [redacted].

On [redacted] /65 source telephonically advised that FRANKHOUSER had not shown up at [redacted] the night before as planned. Later source found that ROY had called and left a message for him, but he had not received it. ROY's message was to the effect that he would not be able to make the meeting because he has a new job. He is a "bundle boy" and got the job through the Pennsylvania Employment Service.

On the evening of December 30, 1964, shortly prior to 11 p.m., ROY E. FRANKHOUSER, JR., of Reading, Pa., telephonically contacted Special Agent [redacted] of the Reading Resident Agency at Agent [redacted]'s home. FRANKHOUSER was apparently calling from a barroom due to the background noise which made hearing him rather difficult.

b6
b7c

FRANKHOUSER was understood to state that he had been in a taproom across the street from the Reading Laundry. He attempted to purchase a quart of beer to take out. The individual stated he would not sell him the quart of beer. FRANKHOUSER exhibited his draft card and the individual stated he was sorry but he would not honor the draft card. FRANKHOUSER stated he did not know the man's reasons for acting as he did and did not know if the man knew who he (FRANKHOUSER) was.

FRANKHOUSER stated he called because he felt that under the Civil Rights Act as to public accommodations his rights may have been violated; however, he was undecided as to whether or not he wanted to sign a complaint or not. He stated he would stop at the FBI office to go into further detail as a similar instance had previously happened along the same lines. No time was agreeable to him to stop at the FBI office until January 4, 1965, and he declined to state where else he could be contacted, noting he is employed at the present time in the "gift business." He stated, however, that he would stop to see the FBI on January 4, 1965.

Late on the afternoon of December 31, 1964, a note was found at the Reading Resident Agency wherein FRANKHOUSER refers to his call and notes:

"Now the reason was that a Hotel and Restaurant owner said he would not serve me Because he - 'did not want any trouble in his place' - Because this was the 2nd (second) time and despite what excuse or pretext used - it was clear - that a showdown was in order - so when I stated that as a citizen I would start action under the civil rights law - and I would not be stopped...there was 'a change of heart' - on their part and as a result - I will not have to bother the Justice Dept. or the FBI.

"My reason's I think are clear. If a citizen of another skin color can ask and get the protection of the Federal Gov. in such matters I thought to avail myself of such rights.

"So thanking you for any bother caused you

"Yours truly

"/s/ ROY E. FRANKHOUSER"

Relative to ROY E. FRANKHOUSER, JR., the following is noted in brief as to his activities and background. In March of 1962 he advised he was resigning from the National States Rights Party, of which he had been a National Organizer because of "ideological differences" with EDDIE FIELDS. The February 1962 issue of the Stormtrooper, self-described as the official organ of the American Nazi Party (ANP), reported ROY FRANKHOUSER, National Organizer of the NSRP has resigned from that organization to become a fighting stormtrooper in the ANP. A characterization of ANP is attached.

In October of 1962, FRANKHOUSER himself advised that he and other members of the ANP had been in Philadelphia picketing a hotel where a Communist Party member was speaking. On June 30, 1963, the NAACP held a rally in Reading. An officer of the Reading Police Department advised

that earlier on that date he had stopped a truck near the rally site. The truck bore anti-Negro signs and slogans. ROY FRANKHOUSER and another youth were in this truck, both wearing armbands with "FAN" on them. In August of 1963 FRANKHOUSER was reported in Harrisburg on a "Hate Hike" recruiting whites to demonstrate in Washington on August 28, 1963, against the Negroes planning to be there. More recently FRANKHOUSER on September 28, 1964, advised that he was back in Reading, that he had been away and working for Alabama Governor WALLACE in his campaign.

to [REDACTED], Reading, Pa.

The paper was issue number 3, December 1964, pub-
lished in New York City, N. Y., DAN BURROS, Editor. On page
2 was a box in which appeared the following: "ROY E.
FRANKHOUSER - Director of Security and Intelligence." Page 3
also contained a brief mention of the fact that ROY E.
FRANKHOUSER is the new Director of Security and Intelligence
for the Free Corps. It also has a small photo of FRANKHOUSER
dressed in a German military style overcoat and cap, saluting
the Colonel of the Fifth Brigade, Free Corps. The Free Corps
was described as a "para-military organization." The paper
also contained a small blurred photo not otherwise identified
but described as "commando practice in the mountains of
Pennsylvania" and which appears to depict at least one person
in a foxhole with a rifle. The picture is not clear enough to
further identify.

Captioned source advised as follows on 1/18/65:

On Sunday, 1/17/65, HANS SCHWEIKERT stopped to see JOHN JURASINSKI. SCHWEIKERT had with him a copy of the "Thunderbolt," an Alabama newspaper. SCHWEIKERT discussed briefly the plans for a "top echelon meeting" along the same lines as ROY FRANKHOUSER had previously. The date and place are not yet set, however.

SCHWEIKERT made some mention of his recent trip to New York with ROY (FRANKHOUSER), Colonel WELCH (from ROCKWELL's headquarters in Arlington), CHERRY (from Baltimore) and himself. He told JURASINSKI that they had met DAN BURROS in New York City; however, FRED WEISS, whom they actually went to see, was ill and they did not actually see him. Although SCHWEIKERT did not say so in so many words, one or more of the group apparently spoke with him on the phone, because SCHWEIKERT said that he (WEISS) promised us some money for "the cause." There had been some discussion between CHERRY, ROY, HANS and WELCH about accepting help from WEISS because of his "Jewish background," but they decided to accept his help and cooperate with him anyway.

PROPOSED PICKETING OF WHITE HOUSE,

JANUARY 14, 1965

On January 14, 1965, a source at Reading, Pa., advised that earlier this date he was told by [redacted] Reading, Pa., American Nazi Party (ANP) sympathizer, that ROY E. FRANKHOUSER, JR., admitted ANP member at Reading had telephoned [redacted] last night (January 13, 1965) and asked [redacted] to accompany FRANKHOUSER to Washington, D. C., on January 14, 1965, for "a mission." [redacted] admitted to source that he was afraid and gave FRANKHOUSER an excuse as to why he could not accompany him. At about 6:30 p.m., 1/15/65, ROY E. FRANKHOUSER, JR.,
called [REDACTED] at the latter's home and indicated he
had to see him about a "most urgent matter." By arrangement,
[REDACTED] picked up FRANKHOUSER at 7:40 p.m. in front of the
Post Office, Fifth and Washington Streets, Reading, Pa., and
they proceeded to [REDACTED]
Reading, Pa., where they conversed for about two and one-half
hours.

FRANKHOUSER had [REDACTED] fill out an application
for membership in the Daniel Boone Rod and Gun Club near
Reading, Pa. Yearly dues are \$2.50. According to FRANKHOUSER,
this is where they will practice with rifles and pistols.
FRANKHOUSER said that present plans are for them to secure a
dozen M-1 .30 caliber carbines which are available commercially.
It is also anticipated that each member of the "group" will have
two hand guns, one to be registered and "legal" and the other to
be unregistered so it cannot be traced.

[redacted]

FRANKHOUSER said that the President of the Daniel Boone Rod and Gun Club is a Nazi and they will have no trouble with him insofar as use of the Club's grounds for practice and training are concerned. This man, however, is not a "card carrying" Nazi (these were FRANKHOUSER's exact words) and he does not want to be publicly associated with the ANP.

FRANKHOUSER has designated [redacted] as [redacted] [redacted] for the local group. The local organization does not have a name as yet; actually, they will be a combination of the "best features" of the ANP, the National States Rights Party (NSRP), the Minutemen, and other "right wing groups" with the same general aims and attitudes.

This local organization is to open a headquarters in the immediate future; this will be publicly announced in the local papers after the lease is signed. CHARLES GRAUL is handling the lease and the local headquarters. GRAUL is handling liaison with the NSRP also. ROY FRANKHOUSER told [redacted] that "we" will use ideas of the Minutemen for our military training and "build up a strong underground movement."

FRANKHOUSER showed [redacted] two pages containing names and addresses and although [redacted] was unable to get a good look at the list, FRANKHOUSER told him these were the Communists in Pennsylvania. FRANKHOUSER said that "we" got these from the "Minutemen" publication, "On Target," and "we" are going to make and distribute tape recordings regarding these Communists who are in the immediate area, exposing them and their associates.

FRANKHOUSER evaded saying where he had been and what he was doing on 1/14/65, although he did say that he had been to see ROCKWELL within the past day or two and ROCKWELL had given his approval to FRANKHOUSER's plans for this local area.

Within the next few days, FRANKHOUSER is going to call a "top echelon" meeting. He hopes to have himself, [redacted] HANS SCHWEIKERT, [redacted] and [redacted] at this meeting; also, CHERRY from Baltimore, a fellow from Lancaster, Pa., a fellow from New Jersey, and a fellow from Wyomissing, Pa. FRANKHOUSER did not identify the persons from New Jersey and Lancaster, Pa.

[redacted]

The fellow from Wyomissing, Pa., is to be GRAUL's assistant in the NSRP activities. CHERRY (from Baltimore) is one of the persons who went to New York some weeks ago to see "that fellow WEISS."

While [redacted] and FRANKHOUSER were alone in [redacted], [redacted] telephoned [redacted] and asked him to come over. [redacted] also asked if he had seen ROY (FRANKHOUSER). Although ROY was there at that moment, [redacted] told him he was alone and had not seen ROY. FRANKHOUSER had whispered to him to say this. Then FRANKHOUSER explained to [redacted] that he does not trust [redacted] and is afraid he is a "plant." Talk then turned to "security," protecting the identities of the members, and thwarting any attempts of the FBI or other agencies to get information. FRANKHOUSER claimed he knew two men who are or were in "intelligence for the Government" and who will meet with "us" and explain to us the use of codes and how to write in code.

FRANKHOUSER asked [redacted] if it would be possible to keep the group's records in a locked filing cabinet in [redacted], with only ROY and [redacted] having keys, and [redacted] agreed to this. FRANKHOUSER said that at present [redacted] has all "our records" and this is not a good situation. ROY will arrange to get all the stuff from [redacted] and bring it to [redacted]. [redacted] suggested that they get and maintain a short personal history on each member and FRANKHOUSER thought this was an excellent idea.

[redacted] asked FRANKHOUSER about the Free Corps and ROY explained that this is actually an undercover front group of the ANP. FRANKHOUSER said that he has the necessary material to make silencers for their weapons and also has some literature on the use of explosives in demolition work that he wants to study.

According to FRANKHOUSER, DAN BURROS, Editor of the Free Corps newspaper, is also an "underground member of the ANP."

At about 10:30 p.m., FRANKHOUSER left, [redacted] driving him to the corner of Tenth and Pike Streets. Just prior to leaving, ROY had made a telephone call. Source tried to overhear the dialing and thought the number called was [redacted].

[REDACTED]

All he could get from the conversation was that ROY was coming to see the person he called after he left [REDACTED].

ADMINISTRATIVE:

It was determined 1/17/65 by means of a pretext call that [REDACTED] is listed to a Miss [REDACTED]. This is nowhere near 10th and Pike Streets. Apparently source "misread" the number FRANKHOUSER called.

Source was given the sum of \$20.00 on 1/16/65 to cover expenses he has incurred in obtaining information during the preceding two weeks or so. A receipt was obtained.

Source stated that in addition to the \$2.50 dues for the Daniel Boone Rod and Gun Club, he sent \$2.00 to the Free American for a subscription to the paper published by DAN BURROS; plus beer and food he has purchased for FRANKHOUSER on several occasions; also gas and oil for his car used in chauffeuring ROY, as well as "running around" trying to locate FRANKHOUSER on 1/14/65 as well as several other occasions.

"Monday 30 Nov. 1964

"On Wed. 25 Nov., 1964, ALAN CHERRY ([redacted]
[redacted], Baltimore, Md.) received a letter from ROY E.
FRANKHOUSER, JR., ANP member, of Reading, Penna.,
formalizing a verbal invitation FRANKHOUSER had extended
on an earlier visit, for CHERRY to come to Reading, Penna.
that weekend (Sat. 28 Nov. and Sunday, 29 Nov.) to
participate in a meeting between FRANKHOUSER, FRED POLZEN
(Parkesburg, Penna.), DAN BURROS (New York City, N. Y.),
FRED WEISS (New York State) and ALLEN WELCH (Colonel, ANP,
Arlington, Va.) to (1) discuss the future of a new
'independent' Nazi newspaper called the 'Free American' (of
which WEISS was a financial backer, POLZEN a distributor,
BURROS the editor and FRANKHOUSER a contributor) and (2)
to acquaint WELCH with BURROS and WEISS for the purpose
of convincing WELCH that both BURROS and WEISS were
sympathetic to the American Nazi cause and would be worth-
while allies to the ANP.

b6
b7C

"On Saturday, 28 Nov. CHERRY departed from Baltimore
at 10:00 a.m. via Trailways Bus to Reading, Penna.
Upon arrival in Reading at 1:45 p.m., CHERRY was met at the
bus terminal in Reading by FRANKHOUSER, HANS ERIC SCHWEIGERT
([redacted], Reading, Penna.) and BOYCE YOUNG, also
of Reading, who was introduced to CHERRY as a 'new
sympathizer.' The four then departed from the bus terminal
in a [redacted] bearing
[redacted] license tags and driven by SCHWEIGERT.

"The four had lunch in a restaurant on the outskirts of
Reading. The conversation was friendly, open and general.
They left the restaurant at approx. 3:30 p.m. Upon
leaving the restaurant, the 4 went directly to [redacted]
[redacted], the 2-room, third-floor apartment, occupied
by SCHWEIGERT, who played tapes for them of an open-forum
radio program originating in Reading, which had given a
great deal of publicity to the activities engaged in by the
Fighting American Nationalists, which SCHWEIGERT had headed
in Reading in the past. He then showed films of FAN picket
and counter-demonstration activity that corresponded with

[REDACTED]

the radio publicity. FRANKHOUSER then discussed the arrangements for the meeting the following day, which was to take place at the home of WEISS. The four left SCHWEIGERT's apartment about 6 p.m. SCHWEIGERT dropped YOUNG at a corner near his home, and took FRANKHOUSER and CHERRY to 133 S. 4th St., the home and place of business of FRANKHOUSER's father (ROY E. FRANKHOUSER, SR.), a barber.

"In FRANKHOUSER, JR.'s room behind the barber shop, FRANKHOUSER showed CHERRY his 'arsenal,' including 4 rifles, a Walther .32 cal. automatic pistol, a P38 9 mm automatic pistol and a German machine gun, described by FRANKHOUSER as similar to a Browning Automatic Rifle, firing a bullet comparable to a 30 cal., a 32 round magazine with a switch for semi automatic and fully automatic firing. FRANKHOUSER said the weapon was in firing condition, and cost him less than \$40.

"FRANKHOUSER then produced what he alleged to be a fully armed U. S. military type hand grenade, from one of several parcels between his bed and the wall, and took out an umbrella in which was concealed 2 mechanical parts of the machine gun which he said made it ready to load and fire. FRANKHOUSER then alleged to CHERRY that the hand grenade and weapons were only a small part of an 'arsenal' maintained by himself [REDACTED], Reading) and [REDACTED] and that those 3 persons were also in possession of 500 pounds of gelatin nitrate explosive which was buried under that house (FRANKHOUSER, SR.'s - 133 S. 4th), running parallel with plumbing pipes so as to foil detection by metal detecting devices. FRANKHOUSER did not say if, when, where or how the 3 parties concerned intended to use this material. FRANKHOUSER then showed CHERRY a large amount of original German Nazi material including books, pamphlets and photographs which he alleged to be from 20 to 30 years old, which he claimed to have been given by WEISS, whom he described as a leading or central distributor of pro-Nazi and German American Bund material in the U. S. prior to W. W. II.

"At 7:55 p.m., FRANKHOUSER and CHERRY departed from the

[redacted]

4th St. house and walked to the bus depot where they were joined by SCHWEIGERT. At 7:30 p.m. the 3 met Col. ALLEN WELSH, ANP when he disembarked from a Trailways Bus. FRANKHOUSER, CHERRY, SCHWEIGERT and WELSH then entered the [redacted] driven by SCHWEIGERT and went to the Alpenhoff Restaurant where they dined. WELSH described current events and activities (in general) at headquarters (Arlington, Va. H. Q. of ANP) the current tour of the Commander (Commander LINCOLN ROCKWELL, American Nazi Party).

"The 4 then departed from the restaurant and proceeded to the Reading Liederkrantz (a private club for German and German descent citizens of Reading) where a dance was in progress.

b6
b7C

"The 4 then joined in the normal social activities of the event. A man who knew both FRANKHOUSER and SCHWEIGERT came by their table and was introduced to CHERRY and WELSH as GUSTAV KINDLER, and identified by FRANKHOUSER as a [redacted] in Reading, a naturalized American citizen, a former member of the N.S.D.A.P. (Nazi Party) in Germany, a WW II soldier in the Whermacht (regular German Army) and a sympathizer to the National Socialist cause. KINDLER talked for several minutes with WELSH and then left the table. FRANKHOUSER passed the remark that 'a lot of people at the Liederkrantz are sympathetic to the Nazi cause after they have about 3 beers.' No other contacts or activities of any consequence were made, conducted or discussed. At 1:45 a.m., the 4 left the Liederkrantz and parted on the corner. WELSH and SCHWEIGERT entered the [redacted] and drove to SCHWEIGERT's apartment and retired. FRANKHOUSER and CHERRY walked to FRANKHOUSER, SR.'s business - residence on S. 4th and retired.

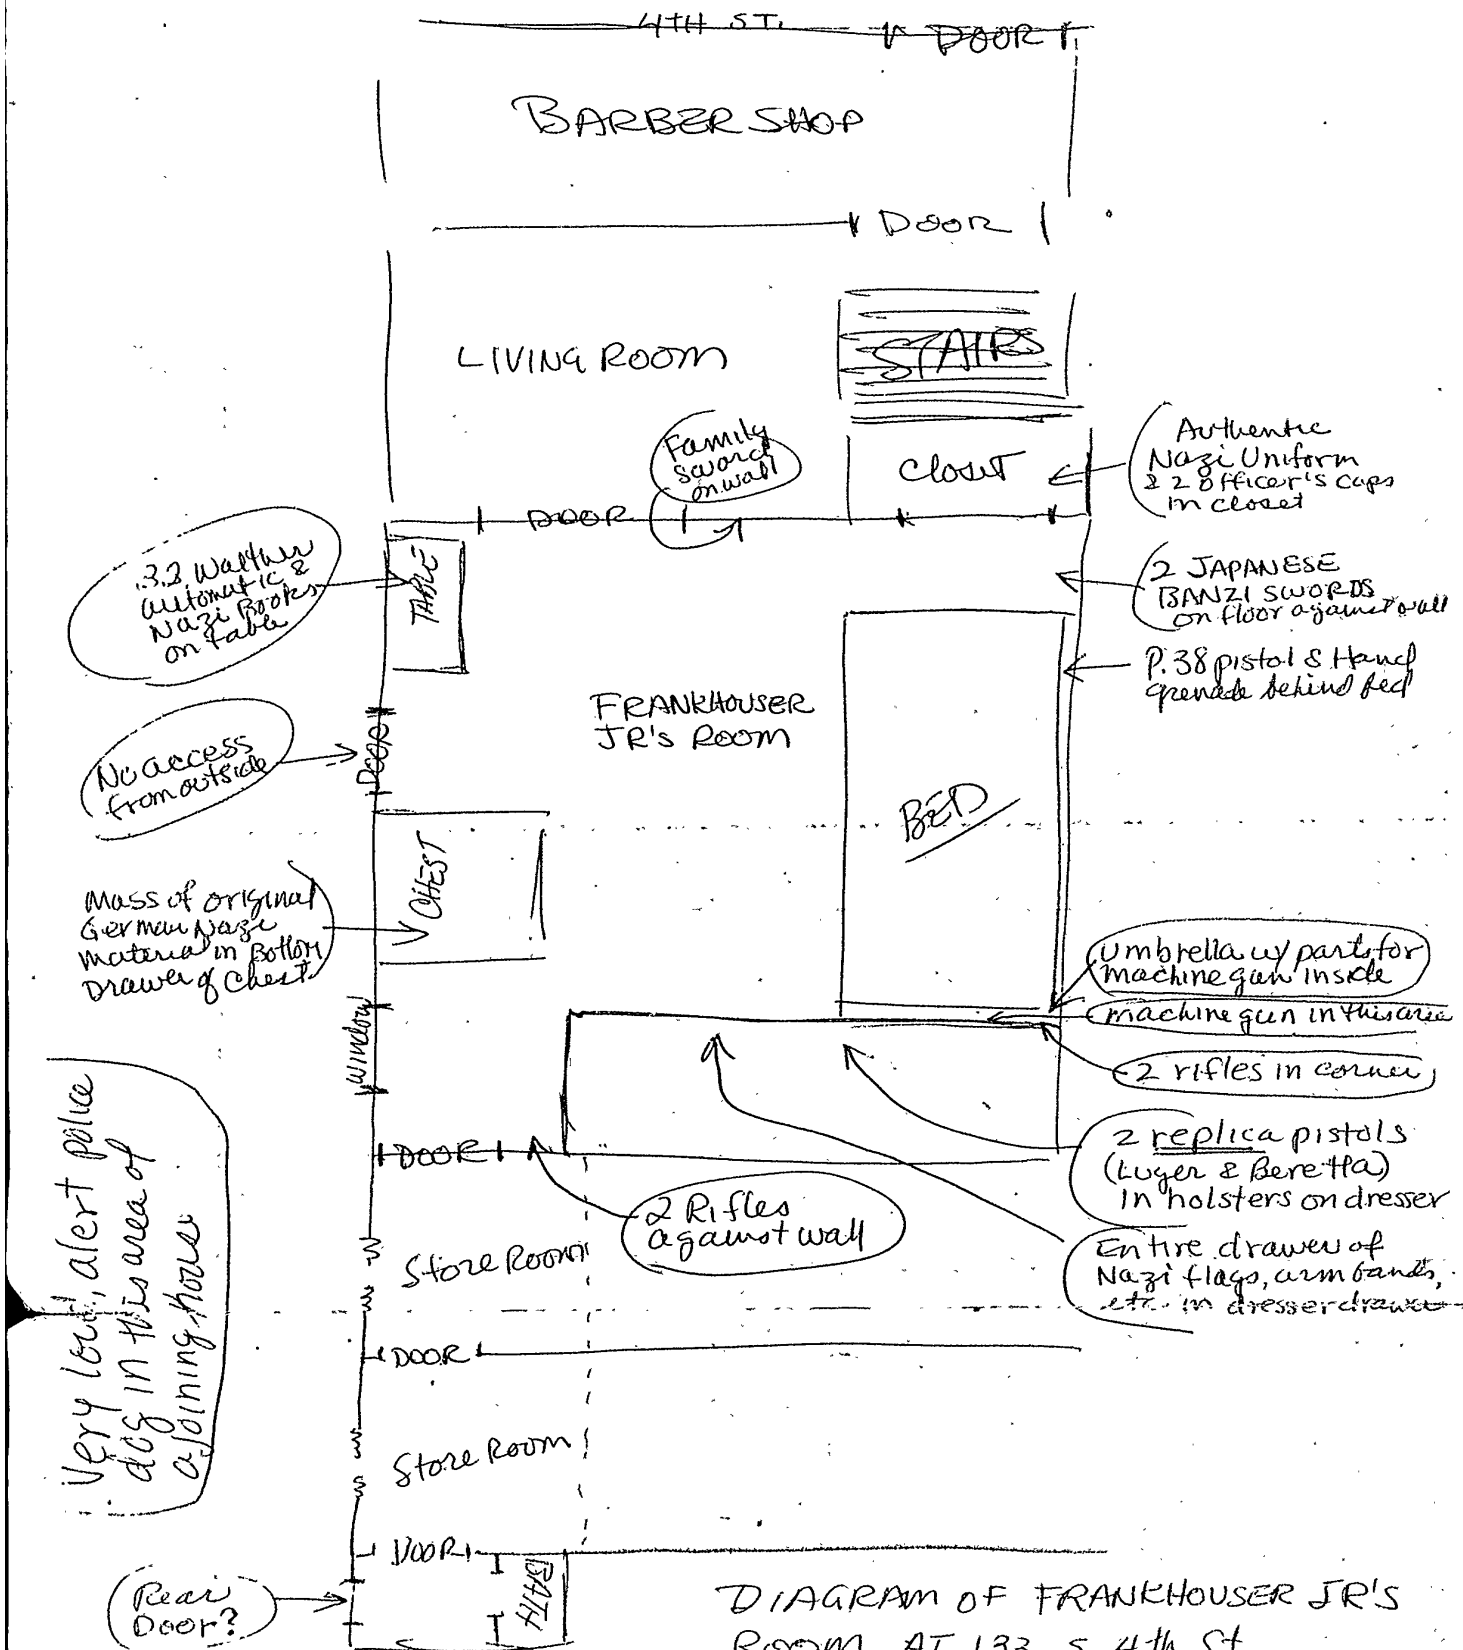

DIAGRAM OF FRANKOUSER JR'S ROOM AT 133 S. 4TH ST.
Reading, Penna.

[REDACTED]

"On Sunday, 29 Nov., at 6:50 a.m., FRANKHOUSER and CHERRY left 133 S. 4th and proceeded to 5th and Penn Sts., where they were met by FRED POLZEN. At 7:10, SCHWEIGERT and WELSH arrived. FRANKHOUSER, CHERRY, and POLZEN entered SCHWEIGERT's [REDACTED] and the 5 proceeded in the auto out of Reading. The auto stopped at a diner on the outskirts of Reading where they ate, re-entered the auto and drove north and east through Pennsylvania and New Jersey to New York City.

b6
b7C

"The five arrived at the 8th Ave. entrance to the Port Authority Bus Terminal at 11 a.m. and after a brief wait, were met by DAN BURROS and a friend, introduced as 'JIM' (about 5'10", 185 pounds, fair complexion, dark hair). BURROS said that he had called WEISS the night before (Sat. 28 Nov.) to advise him that the meeting was firm, but WEISS had instructed him not to come because he (WEISS) was ill.

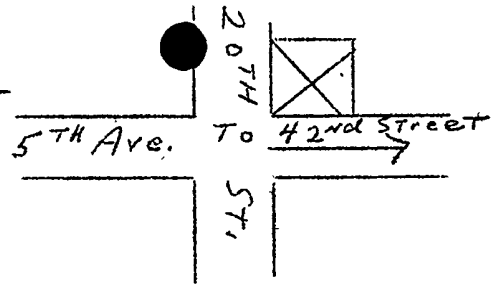

"POLZEN stated that he would like to telephone WEISS because being a good friend of WEISS' and having travelled that distance to see him, perhaps WEISS might allow the group to continue to his home, and, indeed might be feeling better that morning.

"This was generally agreed, and POLZEN and BURROS went into the Terminal to a public phone booth while the others waited outside.

"POLZEN and BURROS returned in a few moments and told the group that WEISS was too ill even to come to the phone, and were advised not to continue the trip.

"BURROS thereupon suggested that the group adjourn to a nearby office to which he had access and continue to talk. The seven then walked to SCHWEIGERT's auto, entered, and drove to a building at 5th Ave. and 20th St. (See Fig. A.) The group was admitted to the 20th St. entrance by a watchman. They boarded an elevator and went to the 6th floor office of the National Citizens Committee (Council ?) which BURROS opened with a key. BURROS remarked that the

Fig. A

b7D

one-room office was used jointly by the woman who ran the organization whose name was on the door, himself (occasionally) and the N.S.R.P. (National States Rights Party), among others.

"On the desk were 2 pieces of ANP literature, some NSRP literature and several English language Jewish publications.

"When all 7 persons were settled, BURROS began by apologizing for the failure of the meeting to materialize and the inconvenience the others had experienced.

"WELSH said that at least it wasn't a total failure - he had met BURROS, and had established the fact that FRED POLZEN did exist as a person, and was not a front name being used by WEISS, as he had previously suspected. At this point, he told BURROS he wanted some background on WEISS.

"BURROS complied. He said WEISS was:

GERMAN born, a 70-year-old man
an active Bundist prior to WW II
a leading distributor of pro-Nazi literature in the U.S.A.
prior to WWII
arrested and interned for his pro-Nazi sympathies, and his property confiscated, at the outbreak of WW II
a chief force in the formation of the German Socialist Reichs Party in Germany after WW II.
a sympathetic National Socialist and contributor and financial backer for BURROS newspaper 'The Free American'
a financial backer for FRANCIS YOCKEY, author of 'World in Flames' and 'Imperium.'

"A discussion pro and con of the life, works and philosophy of YOCKEY ensued.

"WELSH said that ROCKWELL had heard that WEISS was an undercover agent for the Jewish Anti-Defamation League and was wary of him.

[REDACTED]

"BURROS replied that he felt he knew how the story began offered this explanation:

"Shortly after W. W. II, the A.D.L. was having trouble raising funds because potential contributors were feeling very complacent about the lack of Anti-Semitism in the New York area. As a result, the ADL supplied funds to JAMES MADOLE of the National Renaissance Party to provide uniforms for some of its members and lifted a publicity blackout on the group's activities in order to frighten the complacent potential contributors into support. One WES HOOKER talked with WEISS about getting publicity for his Neo-Nazi type group and was advised by WEISS of the method used by MADOLE. HOOKER asked WEISS if he could set up a meeting with an ADL representative. WEISS complied with HOOKER's request and HOOKER is alleged to have tape recorded this meeting. Later, HOOKER began to accuse WEISS of being a secret operative for the A.D.L. It was some time after this alleged meeting, but prior to his formation of the ANP that ROCKWELL met HOOKER in New York and subsequently heard the story from HOOKER.

"ROCKWELL had also heard the story from one of his own Lts. at Arlington, one JOHN PATLER, who had known HOOKER in N.Y.C. before coming to Arlington.

"BURROS personally endorsed WEISS to WELSH, and FRANKHOUSER readily agreed.

"BURROS then discussed his own arrest and conviction in connection with MADOLE & Co. and his current freedom on bond for appeal. He speculated about the future of 'The Free American' newspaper if his conviction is upheld and he must return to prison. He said he had expected to have the 3rd issue of the paper out by that time, but it had been held up by the printer. He remarked that some of the ads in the paper are paid, and some he donates to 'worthwhile' organizations which could not pay for them (including the ANP). He indicated the paper was printed letterpress by a somewhat sympathetic printer somewhere in the general N.Y. area at a cost of \$80.00 per issue, plus engravings. He said that since the second issue, paid subscriptions had quadrupled and that the paid subscriptions now stood

at 36. He did not feel, however, that this was discouraging, since the paper is new, and had high hopes for its future growth.

"He remarked to WELSH that GEORGE LINKE was back in New York City. WELSH said he had wondered what had happened to LINKE and asked BURROS if he thought LINKE would be of any further use to the ANP. BURROS said not at the present time, but felt that in time his feelings might change. He remarked that this phenomenon had occurred often before with others and there was no reason to think it would be different with LINKE. 'The Party (ANP) is his whole life,' BURROS said.

"For the enlightenment of the others present, WELSH quickly ran through LINKE's past. LINKE had formed and headed a Nazi group with headquarters in N.Y.C. that had been successful if unorthodox by Arlington's standards. ROCKWELL recognized leadership and potential in LINKE and had ordered him to H.Q. in Arlington for training. After a time, LINKE was transferred to Chicago H.Q. where he fell in with 'bad company,' began drinking heavily and became a disciplinary problem, LINKE then, without any word or reason, disappeared from Chicago H.Q. and was not heard from again.

"On this note, the meeting broke up at about 1 p.m. The 7 left the building at 5th Ave. and 20th St., entered SCHWEIGERT's auto and drove to the rear of the Port Authority Bus Terminal, where they discharged WELSH and CHERRY.

"WELSH and CHERRY entered the Terminal and proceeded to the Trailways Ticket Office where they purchased tickets for the 2 p.m. bus to Baltimore and Washington, D. C.

"The 2 ate lunch in the Walgreen Drugstore on the Terminal premises and went to departure gate 2.

"Due to the heavy travel south over the holiday (Thanksgiving) weekend, several additional buses were added to the schedule to accommodate the crowd.

b7D

"When a through bus to D. C. was announced, WELSH took his leave of CHERRY and departed on it about 2:05 p.m.

"CHERRY boarded a bus for Baltimore and departed about 2:30 p.m. He arrived at the Trailways station in Baltimore at 7:30 p.m., the bus having encountered heavy traffic throughout the trip, and went directly home."

This memo has been compared with the informant's original statement and it is accurate in substance.

Source furnished the following information on 1/25/65:

The meeting at Headquarters, 805 North 9th Street, began at about 7:40 p.m. last night. Present were: ROY FRANKHOUSER, JOHN JURASINSKI, ERIC SCHWEIKERT, RANDOLPH TOMBS, CHARLES GRAHL, WILSON LOTZ and ED LOTZ. WILSON and ED are brothers and, according to source, both are outspokenly in favor of the extermination of the Jews.

Because of the inclement weather (driving was very hazardous) there were no others present, no one came from out of town. "CHERRY" from Baltimore, Md., who was supposed to have come with four others, called to say he could not make it. A fellow named DICK NORTON (phonetic) also from Baltimore, who was supposed to bring others too, also was unable to come, and called. A man from Philadelphia, name not disclosed to source, also called, so did a person from Folcroft, Pa. The man from Folcroft may have been named GIL PICKETT (phonetic). The persons from Pottstown, Pa., who were to come, did not arrive, neither did they call. Those who did call all gave the weather as their excuse. (GIL PICKETT, above, is GILBERT PAQUETTE).

All told, according to FRANKHOUSER, 28 letters had been sent out. GRAUL did most of the talking. He actually made a more or less formal speech. This was prefaced with the explanation that since only the few local and trusted persons were present, he was going to speak plainly. Then he went into a tirade against the Jews. He said "I am a Nazi, I make no secret of this fact." All the others present, but to a much lesser degree, also spoke out against the Jews. SCHWEIKERT was "very bitter" too and discussed ways that they could be killed en masse such as by machine gunning a Synagogue.

The official name of the group was mentioned as the Pennsylvania Chapter of the National States Rights Party. CHARLES GRAUL is the State Chairman; all members of the NSRP also will be members of the Minutemen. Each member is to have a "code name" but these have not been decided on yet.

JURASINSKI was designated by FRANKHOUSER to make notes of the meeting, including identities of those present and those who did not show up.

GRAUL stated that on 1/25/65 he expected to sign a six-month lease on the property at 306 North 9th Street.

Beer and a light lunch were served after the formal meeting and there was a lot of talk on various subjects. SCHWEIKERT stated that he is still working for [redacted] in Delaware but expects the job to be over within a month or so; sometime after that SCHWEIKERT intends to go to [redacted] to [redacted].

b6
b7C
b7D

In August and September 1964 FRANKHOUSER was in Ocean City working at one of [redacted]'s stores for SCHWEIKERT. FRANKHOUSER and SCHWEIKERT mentioned that [redacted] had ordered 100 of some item to get a couple free. After taking two from the carton, FRANKHOUSER dropped the entire carton from a second or third story window, the damaged remainder was then sent back for a full refund.

FRANKHOUSER also mentioned that if the worst comes to the worst the group can train on FRANKHOUSER's land in Spring Township, Berks County. He owns two and one-half acres which he got from some distant relative, possibly a grandfather. There are a lot of back taxes due on this ground.

It was also mentioned that an uncle of CHARLES GRAUL is a member of the Daniel Boone Rod & Gun Club; this is the man who will sponsor any of the group as members of the gun club. ROY asked GRAUL if it would be possible to use automatic weapons on the Daniel Boone rifle range; GRAUL thought it would be possible.

The typewriter they have at the Headquarters is not an electric machine, it is a Royal Standard.

There will be a special meeting on Sunday, 1/24/65, at the Headquarters at 806 North Ninth Street called for 7:30 p.m. ROY FRANKHOUSER told JOHN JURASINSKI this, and stated that besides FRANKHOUSER and JURASINSKI, ED HOLLAND, two insurance men (not otherwise identified) and "CHERRY" will be there for sure. "CHERRY" is A. E. CHERRY, [REDACTED], Baltimore, Md. There will be others there too but FRANKHOUSER did not identify them. TOMBS is staying there full time as a sort of armed guard to protect the premises and any records that may be kept there. TOMBS has a gun, according to FRANKHOUSER.

1/21/65 to SA [redacted] at 8:55 P.M.

[redacted] just left Headquarters at 806 North Ninth Street, Reading, Pa. There is now a telephone installed there; the number is 372-1792. JOHN JURASINSKI, ROY FRANKHOUSER, RANDOLPH TOMBS and CHARLES F. GRAUL were at the Headquarters. Source was unable to further identify TOMBS at this time but observed that he had a Philadelphia Library Book edition of "Mein Kampf." This book was due to be returned 1/27/65 and the card number was [redacted] above and left of [redacted].

A mimeograph machine and typewriter that HANS SCHWEIKERT owned have been purchased and are presently in the Headquarters. TOMBS is typing some stencils and running off literature.

ROY FRANKHOUSER apparently has complete confidence in [redacted] and is going to take him to ROY's room at 133 South Fourth Street, Reading, Pa., tomorrow and show him the guns ROY has. CHERRY is definitely coming to the meeting to be held at the Headquarters at 7:30 p.m., 1/24/65. There is to be a duplicate file at [redacted] Reading, Pa., of everything kept at the Headquarters so records will be safe in the event of a fire or a "raid" on Headquarters. These records, according to FRANKHOUSER, will relate to the group's activities and membership and will include some of the ideas from the National States Rights Party (NSRP), some from the Free Corps, and some from the Minutemen. According to ROY, the local group will be "similar to, but not affiliated with," the American Nazi Party (ANP). [redacted] is to be FRANKHOUSER's [redacted].

The Headquarters at 806 North Ninth Street is designed as a training site. Persons will be brought here for an indeterminate period and given training in various fields (not specified by FRANKHOUSER), and then sent out to other locations to establish other groups. The first issue of a newspaper will be put out by the Headquarters in about a week.

[REDACTED]

CHARLES GRAUL claims to be fully experienced in the operation of the mimeograph machine. GRAUL is "completely sold" on the NSRP. GRAUL told the others present that ever since he was discharged from the Army in the summer of 1964 he has been travelling for the NSRP. He has worked for them in Chicago, and the States of Kansas and Missouri, and was actually doing this work full time. GRAUL intends to see a man named MOLL in the immediate future. He wants to get a long-term lease on the property at 806 North Ninth Street so that they cannot be evicted when the bank learns of the use to which the premises are being put.

JOHN JURASINSKI donated an old sofa to the Headquarters so that TOMBS will have something to sleep on. TOMBS plans to stay at the Headquarters for some time. He will operate the typewriter and cut stencils. TOMBS came here from Philadelphia, Pa.; before that he was in St. Petersburg, Fla. TOMBS is at 806 in the capacity of a guard as well as getting out the newspaper.

ROY FRANKHOUSER mentioned that he is getting equipment for the group from Indiantown Gap. The only items he mentioned were a good first aid kit and web belts, but he indicated that there were lots of other things available too. FRANKHOUSER did not explain if this material is war surplus that is being sold, or if it is being obtained in some other manner. Nothing was said about weapons.

1/22/65

According to source, JOHN JURASINSKI and CHARLES GRAUL had a brief discussion last night and GRAUL cautioned JURASINSKI about how to act if he should ever be contacted by the FBI. GRAUL said that the way to act was "polite but very terse, volunteer nothing and admit nothing, even if it seems innocent." Neither GRAUL nor JURASINSKI said anything about having been contacted by the FBI. The mention of the FBI came up in a general discussion of "security measures."

On the evening of 1/22/65 ROY FRANKHOUSER took [REDACTED] to FRANKHOUSER's room, upstairs over FRANKHOUSER's father's barber shop at 133 South Fourth Street, Reading, Pa. ROY showed [REDACTED] his guns, which consisted of a German Luger (caliber unknown), a German P-38 (unknown caliber), a small

[REDACTED]

foreign automatic that FRANKHOUSER said was a .32 and another gun he called a .38 automatic (four handguns in all). FRANKHOUSER also had a German military rifle, equipped with a telescopic sight. FRANKHOUSER also had some literature on silencers, and the use of explosives in demolition work. This literature, according to ROY, was received from the Minutemen.

According to source, ROY FRANKHOUSER is going to do a little laboring work for JURASINSKI. The latter has been hired to clean up a premises in the 300 block of Pine Street in Reading, Pa., where there was a serious fire a couple of days ago. A woman was burned and subsequently died. FRANKHOUSER wants some work and agreed to do laboring there for JURASINSKI. He is going to start work about 7:00 a.m., Saturday, 1/23/65.

Later on 1/22/65 source exhibited a letter he had obtained possession of. The letter was postmarked "Reading, Pa., 1/21/65" and bore the return address "P.O. Box 322, Reading, Pa." It was addressed to "[REDACTED] Reading, Pa." The enclosed letter was on the printed letterhead of the NSRP, was dated 1/22/65, and read "Dear Sir, You are invited to attend a meeting of a sincere and secret group of political followers to be held at 7:30 PM Sunday, January 24, 1965 at 806 N. 9th St., Reading, Pa. You should notify us only if you will not be able to attend. ROY speaks very highly of you. Fight for the Right P.J., /s/ C. F. GRAUL, State Chairman."

1/23/65

Source stated that ROY FRANKHOUSER did work this morning in the burned out house on Pine Street. FRANKHOUSER was working very hard, but it appeared that he had never done any such manual labor before; he did not even know how to handle a shovel. However, he seemed glad for the opportunity to earn some money and indicated that he would not turn down any similar jobs.

FRANKHOUSER asked JOHN JURASINSKI on 1/23/65 if JURASINSKI would drive him, after work, to the art studio at Ninth and Penn Streets; they are making a picture which is to be hung on a wall at the meeting. ROY mentioned a name for this studio that sounded like GIBBONS. FRANKHOUSER and JURASINSKI

are going to keep a record of the names of all FBI Agents that appear in the papers so they will be familiar with them.

Later on 1/23/65 FRANKHOUSER said that 30 invitations had been mailed out for the meeting at Headquarters. 12 of these persons are from Reading; the others are from other areas, but FRANKHOUSER did not name any of them. JURASINSKI drove FRANKHOUSER to the photo studio next door to Moores Restaurant, Ninth and Penn Streets, Reading, Pa. GEORGE SHUNK's ex-wife works there. ROY picked up some photographic enlargements which appeared to be "blow ups" of regular snapshots; one was a picture of ROY in a Nazi-type uniform wearing a swastika armband.

FRANKHOUSER is going to give [REDACTED] all the material received at the Post Office boxes relative to the group. FRANKHOUSER explained that DAN BURROS has set up an arrangement so that all the other security men will report to FRANKHOUSER who will keep and compile all records.

On 1/19/65, [redacted] RI (PROB.) (protect identity), furnished three letters received by him from the captioned subject whose return address is given as P. O. Box 1432, Reading, Pennsylvania.

The first letter is post-marked 1/6/65 at Reading, Pennsylvania. The letter itself is undated. The letter enclosed two cards, one of them identifying [redacted] as an Agent of the Security Police for "The Free American" which bore the usual Nazi swastika emblem and the signature of "Colonel ROY E. FRANKHOUSER, Director, Section 6." The other card also contained the name of FRANKHOUSER and the words, "Security Police, Internal Security, External Intelligence, The Free American, 152 West 42nd Street, Suite 536, New York City, New York." Two photostats of each of these cards are enclosed for the Philadelphia Office.

The letter went on to say, "Our job for the time is keep our eyes open and keep flow of intelligence to DAN in New York. Other things will open up soon." The letter went on to urge [redacted] to keep this in the highest confidence and said that the Reading Rightwing Group will have a building and an office shortly, which consists of a 15-room house and a big office. The letter was signed "Best Wish's 88, ROY."

The informant advised that the 88 stood for the eighth letter of the alphabet and meant HH, Hail Hitler.

The second letter received by the informant was post-marked 1/7/65 at Reading, Pennsylvania and requested the informant to give FRANKHOUSER a number of a pay telephone that he could call and a time, either night or day when he would be at that phone. He said that this was very important and that it was "good news".

The third letter was post-marked at Reading, Pennsylvania, 1/15/65 and insisted that there was an important matter and begged [redacted] to give FRANKHOUSER a phone number where he could be contacted. He again repeated that it was "good news".

The informant advised on 1/19/65 that he had not furnished FRANKHOUSER with a phone number where he could be reached and that he did not intend to do so; however, he stated that he would, himself, call FRANKHOUSER by telephone just to see what FRANKHOUSER wanted and to obtain any information of value which might be available.

For the information of Baltimore and New York, Philadelphia is aware of the activities of FRANKHOUSER and the group in Reading, Pa.; New York was previously advised of plans of FRANKHOUSER and others to visit FREDERICK WEISS in Mount Hope, N.Y., which was reported in the ANP file. FREE CORPS

In recent weeks a confidential source has furnished information on several occasions relative to the "Free Corps" apparently a new organization along racist lines. The following pertinent data has been developed:

On November 23, 1964, a source advised that ROY E. FRANKHOUSER, JR., and HANS ERIC SCHWEIKERT of Reading, Pa., and Colonel ALAN WELCH, Deputy under GEORGE LINCOLN ROCKWELL in the American Nazi Party (ANP), possibly accompanied by others, planned to visit "upstate New York." On December 10, 1964, this same source advised that the above-mentioned three plus a fellow named "CHERRY" from Baltimore, Md., had gone to visit FREDERICK WEISS. Information from Baltimore and New York reflected that they went to New York and that WEISS was ill on November 29, 1964, and the travellers were unable to see him but did speak with his wife on the phone.

A characterization of the ANP is attached.

On December 28, 1964, the source exhibited a small newspaper he had received by mail, postmarked Jamaica, N. Y. This paper was Issue #3, dated December 1964, and according to the "masthead" is published in New York City. DAN BURROS is the editor. The name of the paper is "The Free American."

This paper makes mention of the fact that ROY E. FRANKHOUSER is the new Director of Security and Intelligence for the Free Corps. The article reported that FRANKHOUSER would handle liaison between the Free American and other right wing groups. FRANKHOUSER was also described as a "veteran campaigner who has been beaten and tortured several times for his National Socialist beliefs."

FREE CORPS

Another article in this paper under the heading "New Fascist Commandos" read, "We are happy to announce the formation of a new right wing guerilla type organization called the 'Free Corps.' The purposes of the para-military organization is to assist other right wing groups and combat any red take-over with armed force - and restore order."

Accompanying this article were two photographs, poorly reproduced, but which appeared to depict FRANKHOUSER dressed in a German World War II style uniform saluting an officer, and two persons, one with a rifle and one with a steel helmet and pack in a wooded area.

Source also advised January 4, 1965, that all the members of the local group were to get memberships in a local sportsman's club, the Daniel Boone Rod and Gun Club. This organization has a rifle range, and according to FRANKHOUSER, membership will explain any rifles "we" might be caught carrying.

On January 16, 1965, source quoted FRANKHOUSER as saying "our organization will combine the best features of the American Nazi Party, the National States Rights Party (NSRP), the Minutemen and 'other right wing groups.' We will use the ideas of the Minutemen for our military training and build a strong underground movement."

A characterization of the NSRP is attached.

FRANKHOUSER claimed to have some lists of Communists and literature on silencers and on demolition with explosives obtained from literature of the Minutemen. According to FRANKHOUSER, the local group will actually be a "front" for the American Nazi Party, and ROCKWELL has given full approval to all the activities and plans. FRANKHOUSER also told source that DAN BURROS, editor of the Free American, is an underground member of the ANP.

On January 19, 1965, a second source reported that CHARLES F. GRAUL, Jr., had rented P.O. Box #322 in the Reading Post Office, and was receiving mail there addressed to the "NSRP."

The first source on several occasions indicated that FRANKHOUSER was planning on establishing a local headquarters, and on January 24, 1965, a meeting was called. It was determined that CHARLES GRAUL signed a monthly lease on the large old and

FREE CORPS

run-down house located at 806 North Ninth Street, Reading, Pa., paying \$45 monthly. The Berks Colonial Realty Company is agent for the premises. Twenty-eight persons had allegedly been invited to this meeting, but the weather was very bad, and driving hazardous, so that only seven persons, all local, were present. FRANKHOUSER claimed that this headquarters will be used for training. Persons will come here and then be sent out to establish other "cells." An individual named RANDOLPH TOOMBS is living at headquarters as an armed guard to protect the premises and records.

First source has seen a typewriter, mimeograph machine and a tape recorder there, and TOOMBS is reported to have a rifle and handgun. TOOMBS came from Florida, but had been in Philadelphia for a time. Source has also seen several weapons in the room of ROY FRANKHOUSER, JR., at 133 South 4th Street, Reading, Pa. These included a German Luger, a German Walther P-38, a small Mauser automatic, and another gun described only as a .38 automatic. FRANKHOUSER also has a German military rifle which has been fitted with a telescopic sight.

On January 25, 1965, information from a third source was received reflecting that ROY FRANKHOUSER, JR., had invited ALAN CHERRY of Baltimore to come to Reading, Pa., on Saturday, November 28, 1964, and Sunday, November 29, 1964. The purpose of this visit was to have CHERRY participate in a meeting between FRANKHOUSER, FRED POLZIN of Parkesburg, Pa., DAN BURROS of New York City, FRED WEISS from New York State, and Colonel ALAN WELCH (ANP) from Arlington, Va. FRANKHOUSER wanted the group to meet to discuss the future of a new "independent" Nazi Newspaper called the "Free American." WEISS was a financial backer, BURROS the editor, POLZIN a distributor, and FRANKHOUSER a contributor. FRANKHOUSER also wanted to have WELCH meet BURROS and WEISS and convince him that they were worthwhile allies of the ANP.

According to this source, CHERRY spent the night of November 28, 1964, with FRANKHOUSER at the latter's place, 133 South 4th Street, Reading, Pa., where FRANKHOUSER showed him four rifles, two pistols, and a German machine gun. FRANKHOUSER said this latter weapon has a switch to change from semi-automatic to full automatic fire, is fully operable, and cost him less than \$40. FRANKHOUSER reportedly has some parts for this gun concealed beside his bed. He also exhibited what he claimed was a fully

FREE CORPS

armed U. S. military hand grenade. Then he related to CHERRY that this was only a small part of the "arsenal" that he and [redacted] had. They were also in possession of 500 pounds of "gelatin nitrate" which is buried under the house at 133 South 4th Street, and running parallel to the waterpipes so as to foil detection by metal detecting devices.

b6
b7c

The third source also related that the next day the group went to New York City where DAN BURROS met them, but reported WEISS was too ill to see them. POLZIN called but WEISS was too ill even to come to the phone.

On February 2, 1965, the first source advised that ROY FRANKHOUSER had issued a set of orders which read as follows:

"General Orders for the next two weeks,
from the Irishman

- "1. Read a book on Guerilla Warfare - write a short book report.
- "2. Check what you have in the way of firearms and ammo. See how much money you could put away each week on a carbine or M-1.
- "3. Write a note on paper saying 'Your code name' reporting for duty. Use P. O. Box 1432 as a return address - put any newspaper clippings of interest and airmail Monday to Quality Drug & Chemical Company, P. O. Box 246, Sedalia, Mo. Wrap note in blank paper or carbon.

"Code for the month - commit to memory. Write any important messages in code and mail to P. O. Box 1432.

"Next meeting in two weeks, for two hours. You will be contacted three days before.

"/s/ The Irishman"

Source stated that "The Irishman" is a code name FRANKHOUSER uses. FRANKHOUSER wanted to have sufficient copies of this "general order" typed to that one copy can be sent to each of the men who attended the last meeting, namely FRANKHOUSER, SCHWEIKERT, JURASINSKI, GRAUL, TOOMBS, ED LOTZ, and WILSON LOTZ.

Source also stated that each of the foregoing men, according to FRANKHOUSER, has been submitted as a member of the Daniel Boone Rod & Gun Club. It is a mere formality until they will be members.

FRANKHOUSER mentioned that the address in Sedalia, Mo., is the headquarters of the Minutemen.

CHARLES GRAUL claims that he already has a carbine and two 30 round clips; all the others are supposed to get these weapons as soon as possible.

The first source on February 2, 1965, advised that CHARLES GRAUL reportedly has a .30 surplus army carbine, and two 30 round clips.

On February 3, 1965, the first source learned from FRANKHOUSER that surplus carbines could be obtained from Southern Information Service, P. O. Box 8565, Birmingham, Ala., and that each member of the local group was expected to have such a weapon. FRANKHOUSER also spoke in terms of each having both legal - that is registered - and illegal or unregistered and presumably untraceable handguns.

On this same occasion source observed in FRANKHOUSER's possession a receipt from a local gun dealer indicating that FRANKHOUSER had made a \$20.00 downpayment on a deactivated Sten gun. FRANKHOUSER indicated he hopes to be able to repair this

FREE CORPS

weapon so it is operational. FRANKHOUSER also had a sketch of a weapon he claimed to have designed himself, although he wanted advice as to whether or not it would work. This instrument would theoretically fire a .22 blank cartridge which would forcibly expell a round knob. This knob would stay in the weapon but would protrude. FRANKHOUSER theorized that this, if held against the skull of intended victim, would cause a fracture without a wound.

He was always interested in art and sketching; most of the work he did had a German theme, but at the time Mrs. [redacted] thought nothing of this.

Sometime after he graduated [redacted] met a fellow named ROY FRANKHOUSER. Mrs. [redacted] knew nothing of this person; she saw him once or twice. He seemed very polite, but always a little "distant" and not inclined to be talkative. [redacted] got a job at [redacted] late in the summer. In about August [redacted] told her of an exhibit of German souvenirs to be held in the 18th Ward and she drove him there at his request. If he bought anything there she is not aware of it, but about that time he received through the mail a German military uniform.

On December 31, 1964, [redacted] was to leave for active duty in the U. S. Naval Reserve which he had joined when he was [redacted] years old. The night before he was to leave a group of persons, unknown to Mrs. [redacted], had a farewell party for [redacted]. He did not get home until about 2:30 a.m. on the day he was to leave and told his mother he wanted to get to the depot about 5 a.m. Actually his mother got him to the depot only at about 5:45 a.m. (the train was to leave at 6 a.m.). ROY FRANKHOUSER was at the station, and mentioned that he had been there since 5 a.m., but no one else was with him.

About a week after [redacted] left for active duty a large envelope arrived in the mail for him. Mrs. [redacted] opened it and found a Nazi newspaper along with a note stating that [redacted] owed \$5.00 for his dues. Mrs. [redacted] wrote "refused" on the envelope and returned it to the sender, GEORGE L. ROCKWELL, Arlington, Va.

A week later when [redacted] was home for the first time she asked him about ROY FRANKHOUSER and [redacted] said FRANKHOUSER was a Nazi, but claimed he, himself, had not joined ROY's group.

AMERICAN NAZI PARTY

On February 5, 1965, Confidential Informant PH T-1 advised that ROY FRANKHOUSER was planning to go to the Washington, D. C., area on February 6, 1965, to see GEORGE LINCOLN ROCKWELL, head of the American Nazi Party (ANP). FRANKHOUSER has no automobile and expects to hitchhike. He intends to stop en route in Baltimore to see ALLEN CHERRY and return to Reading, Pa., on Sunday night, February 7, 1965.

A characterization of the ANP is attached.

Subsequently, PH T-1 advised that RANDOLPH TOOMBS returned to the group's headquarters in Reading about 5:30 p.m. TOOMBS had been in Philadelphia doing some research for CHARLES GRAUL. FRANKHOUSER, it had been decided, would go with GRAUL and TOOMBS to visit ROCKWELL in the Washington, D. C., area. The plan is to leave Reading about 7 p.m., February 5, 1965, in GRAUL's automobile with a stop in Baltimore en route to see CHERRY. FRANKHOUSER made no mention of the purpose of the trip to see ROCKWELL.

On February 6, 1965, PH T-1 advised that HANS SCHWEIKERT was upset with FRANKHOUSER for not inviting him to go along to see ROCKWELL. HANS said he had heard that FRANKHOUSER, after having made arrangements to go see ROCKWELL with GRAUL and TOOMBS, had left alone without waiting for the other two. SCHWEIKERT said he was in Reading when FRANKHOUSER left alone to see ROCKWELL.

SCHWEIKERT also said that he is no longer working for [REDACTED] in Wilmington, Del.

On February 8, 1965, PH T-1 said FRANKHOUSER had returned from Arlington, Va., where he had gone alone. He said that TOOMBS and GRAUL had "chickened out" at the last minute so FRANKHOUSER hitchhiked as far as the Pennsylvania-Maryland line. It was so cold and he was unable to catch a ride, so he wound up finishing the trip by bus. FRANKHOUSER did have a meeting with ROCKWELL which ROY was to discuss with the Reading group later.

He got back to Reading late Sunday night, February 7, 1965. He was still upset with GRAUL for changing his mind and not going with ROY to Arlington, Va.

GRAUL told ROY that EDWARD FIELDS of the National States Rights Party (NSRP) does not want anything to do with ROCKWELL and the ANP. SCHWEIKERT and FRANKHOUSER are trying to convince GRAUL and TOOMBS that FIELDS is too soft to last and that ROCKWELL will be around in the movement long after FIELDS is gone and forgotten.

FRANKHOUSER has scheduled a meeting of the local group at their headquarters for next Sunday, February 14, 1965.

FRANKHOUSER said that AL CHERRY is leaving Baltimore and moving to Reading, Pa., to take a more active part in the group. He also said that HANS SCHWEIKERT is no longer employed by [REDACTED] [REDACTED] in Wilmington, Del., and he also intends to devote more time to ROY's Free Corps.

ROY E. FRANKHOUSER, JR.

On February 13, 1965, Confidential Source advised that on that date ROY E. FRANKHOUSER, JR., had in his possession at his residence, 137 South Fourth Street, Reading, Pennsylvania, a loaded, fully operational machine gun "M P 44."

This weapon is described as three feet long, crudely made, wooden stock removable by pressing a button, and a clip extending down and about the middle which is also for holding the weapon.

FRANKHOUSER demonstrated the operating procedures by pulling down the bolt and inserting a loaded clip. He stated he obtained this weapon several days ago from an unknown source in Philadelphia and discussed the possibility of "deactivating" the gun by removing and hiding some part. This weapon with stock removed is allegedly short enough to conceal in a small suitcase.

FRANKHOUSER intends to take this weapon to a meeting February 14, 1965, to be held at 806 North Ninth Street, Reading, Pennsylvania, and display it to others present.

Re Philadelphia airtel to Bureau 2/4/65.

[] advised 2/10/65 that there is considerable friction in the local group because of the local "affiliation" of the ANP and NSRP. ROCKWELL is said to have issued orders to FRANKHOUSER to disassociate the ANP group from FIELDS' NSRP, and EUGENE FIELDS has allegedly written CHARLES GRAUL instructing GRAUL that if anything ever comes to his (FIELDS') attention showing any link between GRAUL and the ANP, that GRAUL can consider himself "kicked out."

For information of Phoenix, the local group, "Free Corps," is composed of several local youths with strong anti-Semitic and anti-Negro feelings who are apparently combining

what they consider the "best features" of the ANP, the NSRP, and the Minutemen with some of their own ideas mixed in. DAN BURROS in New York City published a paper, the Free American, which has reported the formation of this local group and speaks of it in laudatory terms.

FRANKHOUSER told source 2/10/65 that [redacted] (ph), who is originally from Reading, Pa., but is presently with the Phoenix, Ariz., office of [redacted] [redacted], is back in Reading, at least temporarily, and is trying to get in touch with FRANKHOUSER.

FRANKHOUSER also gave source the name, address, and telephone number of a girl in Washington, D. C., who FRANKHOUSER said was with the State Department. This person is [redacted] [redacted], Washington 20, D. C., telephone [redacted].

FRANKHOUSER said nothing indicating that [redacted] or [redacted] are affiliated with him or the ANP or NSRP. He made the flat statement that [redacted] wanted to see him and told source that [redacted] is a "good friend of his" and that source might want to "look her up" if he gets to Washington. For this reason, no letterhead memo dissemination is being made by Philadelphia regarding [redacted] at this time.

Philadelphia indices are negative regarding [redacted] and [redacted].

The report reflected that [redacted] was engaged in a business partnership with his mother.

On 11/30/64, Capt. [redacted], Identification Section, Wilmington, Delaware Police Department and Lt. [redacted], Crime Prevention Bureau, Wilmington, Delaware Police Department advised that no information had ever come to their attention indicating that the above captioned subjects are engaged in any American Nazi Party type activity in the Wilmington, Delaware area.

On 11/30/64, Inspector [redacted], Crime Prevention Bureau, Wilmington, Delaware Police Department, advised that the only information that had come to his attention concerning the above captioned subjects occurred in March of 1963 at which time he was advised by [redacted], of the Rialto Theatre in Wilmington, Delaware that he had received a letter signed ROY E. FRANKHOUSER, JR.

This letter told [redacted] to keep up the good fight and not to give into the Red Race Mixers. The letter also stated that to let FRANKHOUSER know if he ever needed FRANKHOUSER's help and that he hoped to see [redacted] in the near future.

Inspector [redacted] advised also that on March 5, 1963 an individual wearing a trench coat and highly polished boots and who talked with a heavy German accent had come to the theatre and talked with [redacted] without actually knowing the identity of [redacted]. [redacted] continued that this individual wanted to know if [redacted] wanted to contribute to his organization to carry on their work.

[] remarked that the identity of this individual was not known to [], however he strongly suspects that this individual was HANS ERIC SCHWEIKERT, who is an associate of ROY FRANKHOUSER.

On 2/9/65, Inspector [] was recontacted and again advised that nothing had come to his attention indicating that the above captioned subjects were currently engaged in any American Nazi Party type activity other than that previously furnished by him on 11/30/64.

Inspector [] advised that [] has had a very lucrative [] business going in the Wilmington area and he felt that [] would not knowingly get involved in this type of activity because of possible effect that it would have on his business in the event to become publicly known that he was engaged in this type of activity.

A review of current directories for the Wilmington Delaware area on 1/29/65, reflected that there are 2 [] [], one located at [], Wilmington and the other at [], Greenville, Delaware.

On 1/29/65, [], audit department, Delaware State Tax Division, Wilmington, Delaware was advised of the information concerning [] and his business activities, as set out in Philadelphia communication dated November 18, 1964.

On 1/29/65, [], Intelligence Division, Internal Revenue Service, Wilmington, Delaware was also advised of the information set out in Philadelphia communication dated November 18, 1964.

Both [] and [] advised that nothing had come to their attention indicating that [] was engaged in any type of activity that would be a violation of the Federal or state tax laws.

On 2/9/65, it was observed that the [] [], Wilmington was closed down and all the stock had been removed or sold except for

for odds and ends lying around the store.

It was also noted that on 2/10/65, the [redacted]
[redacted], Greenville, Delaware was
not open.

It has not been opened for several weeks and on
the door is a sign "Closed Today, Inventory". Because of
heavy drapes across the windows of the [redacted] it
was not possible to determine whether or not the store was
fully stocked or whether it was in the same condition
as the store located on [redacted].

On 2/9/65, Mrs. [redacted], residence [redacted]

[redacted], Wilmington, Delaware, phone [redacted]

[redacted] advised that she is now [redacted] of [redacted]
[redacted], Wilmington, phone [redacted].

She advised that she had left the employ of [redacted]
in January of 1964. She stated that she left [redacted] because she
did not care personally for SCHWEIKERT and did not like the
way he acted or the friends that he kept. She continued
that HANS SCHWEIKERT openly indicated that he disliked
negroes and jews. She further advised that there were a
number of his friends who came into the store to visit him
who were in her opinion, "perverted and queer".

Concerning this description of SCHWEIKERT's friends
as "perverted and queer", [redacted] stated that she had no
positive information concerning the activities or characteristics
of SCHWEIKERT's friends, but that they were very effeminate
in their actions and talk when they came to the store to
visit SCHWEIKERT and because of the way they acted and dressed,
she thought it was disgusting and did not care to associate
with SCHWEIKERT or be connected with the store because of
this situation that was developing at the store.

Concerning [redacted] himself, [redacted] advised that
she has always felt [redacted] could be a fine upstanding young
man but has possibly become involved with a wrong crowd
and because of that they have cause his business to drop
in profit considerably in the last several years. She
stated she did not feel that [redacted] had made much profit
in his store for the last two years and it was her impression
that he had closed down the stores in Wilmington and will

concentrate all of his efforts in his new store which is opening up in Ocean City, New Jersey fairly close to the old locations on the Boardwalk in Ocean City.

b6
b7c

Mrs. [] advised that [] has just remarried for a third time to a girl from Ocean City whose maiden name was []. She continued that [] is currently living in Ocean City with his third wife.

Regarding the stores owned by [], Mrs. [] advised that as of right now the stores in Delaware are all closed. She advised that [] had formerly operated a store on [] in the mid 50's however that was closed some years ago. She advised that [] is now closed and the [] in Wilmington is also closed. She continued that she did not know what the plans were of [] concerning these stores, however it was her impression in talking to a friend of hers who was formerly employed by [] recently on a part time basis that [] intends to concentrate his efforts in a new and larger store which he recently opened up on [] in Ocean City, New Jersey.

Concerning the operation of the stores owned by [], Mrs. [] advised that when she was [] of the store at [], that everything was run in a proper and legal fashion. She advised however that after SCHWEIKERT also was employed at the store and eventually took over as manager, that she had seen SCHWEIKERT put money from sales into his own pocket and has seen him ring up the wrong sale, giving the customer the right change and pocketing the balance.

She stated that [] may have been aware of what SCHWEIKERT was doing although she could not be certain. She stated she did not feel that [] would condone any activity on the part of SCHWEIKERT or other employees which would involve the violation of any state or federal tax laws.

She advised that SCHWEIKERT has always been fairly open in expressing his beliefs concerning the jews and negroes and his Nazi feelings, and she stated she is quite certain that

[] was aware of how SCHWEIKERT felt and what he stood for. She stated however, she had never openly discussed SCHWEIKERT's beliefs with [] and could not say whether or not he, [], ever felt the same way as SCHWEIKERT.

Mrs. [] advised that [], the second wife of [] had told her that SCHWEIKERT had tried to fill [] with his philosophy, however [] did not know whether or not or did not say whether [] was ever converted to this way of thinking to any degree.

Mrs. [] advised that on one occasion SCHWEIKERT had worn what she described as a NAZI uniform at the store and had carried a Nazi picture in his wallet, had made little or no effort to conceal this activity. She advised that she is quite sure that [] was fully aware of the feelings of SCHWEIKERT in these matters.

LEADS:

THE BALTIMORE DIVISION

AT WILMINGTON, DELAWARE

1. Will determine if [] has closed down his business activities in the Wilmington, Delaware area.

2. If [] continues to operate one or more of his [] in the Wilmington, Delaware area will determine if ROY E. BRANKHOUSER, JR., is employed at one of the shops.

3. Will also determine if FRANKHOUSER is residing in the Wilmington, Delaware area.

4. If [] and SCHWEIKERT are still residing and/or working in the Wilmington, Delaware area will make appropriate inquiries to determine if they are engaged in any American Nazi Party type activities.

PROPOSED PICKETING OF WHITE HOUSE,
WASHINGTON, D.C., JANUARY 14, 1965

On January 14, 1965, a source, who has furnished reliable information in the past, at Reading, Pa., was unable to locate ROY E. FRANKHOUSER, Jr., or determine his whereabouts. On the morning of January 15, 1965, this source determined that FRANKHOUSER was not at his mother's home but was expected later. At 11:35 a.m., FRANKHOUSER tried to call source.

On the evening of January 15, 1965, FRANKHOUSER evaded discreet attempts of this source to "draw him out" in an attempt to determine if FRANKHOUSER had been in Washington, D.C., January 14, 1965, or had actually planned or carried out picketing of the White House on that date. No mention was made of such a plan or activity, although FRANKHOUSER did indicate to source that he had been to Arlington, Va., to see GEORGE LINCOLN ROCKWELL, Head of the American Nazi Party, within the previous two days.

Source pointed out that FRANKHOUSER is well known to make grandiose plans which for one reason or another "fall through" or are never carried to fruition.

A characterization of the American Nazi Party is attached.

Source furnished the following information on 2/4/65:

Last night JOHN JURASINSKI dropped ROY FRANKHOUSER after work at Headquarters, 806 North 9th Street. ROY said he had to be there at 9:30 p.m. to meet a fellow named [REDACTED] (phonetic), who is going to join the group. [REDACTED] is from Phoenixville, Pa., and works at a steel mill in Phoenixville.

On 2/5/65 source advised:

Last night, ROY FRANKHOUSER learned that CHARLES GRAUL had contacted [REDACTED] and invited [REDACTED] to come to Headquarters (with the idea of getting [REDACTED] to help with some cleaning up and repairing there). ROY was very upset at this; he still distrusts [REDACTED] and is afraid he is a "plant," but GRAUL does not think this is the case. GRAUL is "jittery," however. Shortly after he took the place at 806 North 9th

Street, he received a complimentary subscription to "Life" Magazine through the mail and is afraid that there is something suspicious about this.

Several days ago, GRAUL received a letter from EDWARD FIELDS, Head of the NSRP, and GRAUL declined to explain to ROY what this contained. A day or so later, FRANKHOUSER got a phone call from someone who is one of FIELDS' assistants. This person told ROY that FIELDS is afraid FRANKHOUSER is "taking over," whereas GRAUL is the person locally in charge of NSRP activities. Actually, there is no "power struggle" between GRAUL and FRANKHOUSER. GRAUL realizes he is actually subordinate to ROY, and that he holds his position only because FRANKHOUSER had "broken" with the NSRP before and FIELDS will not deal with him now.

On the evening of 2/4/65, FRANKHOUSER drew up a list of "code names" for the local members and gave it to JURASINSKI to type up.

The following names have been decided on:

FRANKHOUSER	- The Irishman
GRAUL	- Mr. G or Mr. Death
TOOMBS	- Mr. T
JURASINSKI	- JOHN CANARIS
WILSON LOTZ	- RONALD A. FRANKLIN
EDWIN LOTZ	- F. ABRAHAM
[REDACTED]	- Old King

SOI RACIAL

[REDACTED] With offices in [REDACTED]
[REDACTED] Philadelphia, has been known to the writer for
some years. There have been occasional discussions with
him on specific cases involving racial subjects. This
office has enjoyed a very cooperative working relationship
with various local representatives of [REDACTED]
[REDACTED] since at least 1950 and they have been useful in
connection with interviews of Communists, early activities
of a COINTELPRO nature, etc.

On 1/26/65 the writer met with [REDACTED]
and there was further telephonic discussion on 1/29/65.

[REDACTED] advised that he has acquired an
assistant, Mrs. [REDACTED] (indices negative). Mrs.
[REDACTED] is a Philadelphian who in the recent past worked
for [REDACTED] for 7 years. She has now returned to
Philadelphia. She has been employed to do a survey regard-
ing anti-Semitism in the Negro community, Philadelphia.
She will utilize a part time Negro assistant for this
purpose. [REDACTED] also advised confidentially that in
this survey help is being received from radio station WDAS
which has a predominately Negro listening audience. WDAS
is obtaining information for the survey on anti-Semitism
by incorporating several pertinent questions in an
apparent consumers' survey.

[REDACTED] is in the process of creating
[REDACTED] groups in many of the smaller
cities of Pennsylvania. On 1/23/65 he was scheduled to
organize such a group in Reading, Pa.

[redacted] advised that he and his members will be happy to cooperate with the Bureau in any manner we request or direct.

The situation was discussed with SA [redacted] at Reading having in mind the possibility of utilizing one or more of these people in a COMINTPRO operation. SA [redacted] advised that the headquarters currently being used by the Free Corps group in Reading is owned by the American Bank and Trust, formerly known as the Berks County Trust. Management of the real estate is handled for the bank by the Colonial Berks Realty Co. SA [redacted] has contacts with both organizations should a COMINTPRO prospect present itself.

[redacted] should be added to our list of available sources in racial matters.

On 2/15/65 [redacted] supplied the name of the VFW member at Reading as [redacted]. Reading. He will advise [redacted] to expect a contact from SA [redacted].

HANS SCHWEIKERT is getting 5,000 sheets of mimeo-graph paper from the Book Mart, Sixth and Court Streets. The first issue of a paper being put out by the local group will be out very soon.

CHARLES GRAUL apparently learned from ROY FRANKHOUSER that there were about two tons of coal in a place where ROY had been working, which place has had the heating system converted to oil. GRAUL called SCHWEIKERT to ask what the possibility would be of getting this coal to use at the Headquarters. The cold weather has caused them to burn coal at a phenomenal rate. They are about finished with the ton they bought a short time ago and it is still cold in the building.

SCHWEIKERT was around Reading, Pa., today. His job at [REDACTED] has terminated. The ruse [REDACTED] used to save taxes for himself and his employee has "backfired." Because of the small amount of earnings which were reported as being paid to SCHWEIKERT he is only entitled to a very small amount of unemployment compensation for a brief time.

February 9, 1965

JOHN JURASINSKI got permission from the owners of the place with the coal in the basement to remove it at no cost to the owners. When a truck can be borrowed the group will remove the coal and transport it to 806 North Ninth Street for use there.

ROY FRANKHOUSER did not show up at Headquarters last night and apparently none of the group heard from him. They do not know if he is in Reading or away on another trip, although he said nothing about any plans to go away.

Captioned source on the evening of 2/2/65 advised telephonically that JOHN JURASINSKI and ROY FRANKHOUSER had just held a brief discussion relative to the obtaining of surplus Army carbines. FRANKHOUSER claimed that he intended to get his from the Southern Information Service in Birmingham, Alabama, and exhibited a printed circular listing various weapons, handguns, and rifles.

Surplus Army carbines were listed as "new condition - regular price \$89.95, specially reduced to \$69.95."

The address of the Southern Information Service was given as Post Office Box 8565, Birmingham, Alabama.

ROY told JURASINSKI that he had determined that this was the best price available and directed JURASINSKI to write letters to each member of the group instructing them to begin attempts to obtain a carbine.

When JURASINSKI pointed out that freight charges would be incurred by ordering them from Alabama, FRANKHOUSER said that probably this would be less than the extra cost of buying locally. FRANKHOUSER exhibited a receipt from B. H. DAVIS, Sporting Goods, 1039 Greenwich Street, Reading, Pa., and said that DAVIS had these carbines at \$90.00. This receipt was dated 1/22/65 and reflected that ROY had made a \$20.00 down payment on a Dewat (deactivated war trophy) Sten Gun. ROY told JURASINSKI that he hoped to be able to fix this weapon so it would be capable of firing.

FRANKHOUSER also exhibited a rough pencil sketch of a weapon he "thought of" and asked JURASINSKI if such a thing would be possible to make. The sketch depicted a cylinder about the size of a fountain pen. One end held and could fire a .22 caliber blank. The other end contained a spring and plunger, driving a rounded knob. This knob was not propelled from the cylinder, but would be pushed out forcibly, extending about one inch. FRANKHOUSER claimed that if this weapon were held against the head of a person and the knob expelled, it would crack the skull without leaving a penetration wound like a bullet.

JURASINSKI told ROY he did not know if this device was practical or not.

On 2/13/65, [REDACTED] telephonically con-
tacted agent. [REDACTED] stated he understood the FBI had been
making inquiries regarding him, that he now realizes he had
made a serious mistake and wants to rectify it if possible.
[REDACTED] was advised that he was under no obligation to say any-
thing and might possibly be subject to prosecution himself,
but that if understanding this he wanted to talk to agent,
he should feel free to come to the office in the Post Office.

[REDACTED] did voluntarily appear the same
afternoon. He was again advised that he was under no obliga-
tion to say anything, that anything he did say might be used
against him in court, and that he had the right to consult
with an attorney or anyone else before saying anything.

[REDACTED], who was dressed in [REDACTED] indicated
that he wanted to cooperate, if possible, and volunteered
the following information:

He is [REDACTED] years of age and graduated from high school
[REDACTED]. In school he was always interested in history,
especially that of Germany under National Socialism. He real-
izes that although Hitler was crazy he did have some good ideas,
and his hobby was always German. Also he used to do a good bit
of drawing and usually used a German theme and had a swastika or
so in most pictures, so much so that one of his teachers once
mentioned this and his friends used to "kid him" about it.

At one time [] was friendly with a young man named []. [] had apparently been a friend or associate of ROY FRANKHOUSER because he had mentioned this individual to []. Apparently, however, [] and FRANKHOUSER are not presently friends. In any event the name ROY FRANKHOUSER was known to [] prior to meeting him. They first met at a showing of German war souvenirs last fall. [] had seen several signs around town advertising this display and persuaded his mother to take him there. ROY FRANKHOUSER was at this place and apparently in some position of authority as he greeted people and introduced himself. A fellow named HANS SCHWEIKERT was also at this sale; also a tall lean fellow with a mustache and a German accent was there. This third person, name not recalled by [], was in his middle 30's or so.

Thereafter, [] and FRANKHOUSER got together a few times because of their mutual interest in Germany and German souvenirs. FRANKHOUSER claimed to have many items including some weapons. Once FRANKHOUSER came to []'s home, then at [], Reading, Pa.

In about the middle of December 1964, [] and FRANKHOUSER went together by bus to Washington, D. C. [] maintained that his primary intention was to do sightseeing, but the first place he and ROY went was to Arlington, Va., where ROY took him to a place on Randolph Street, which was the headquarters of GEORGE LINCOLN ROCKWELL's American Nazi Party (ANP). [] was introduced to a person named MATT KOHL at this location. ROCKWELL himself was apparently away. On this occasion [] said that he voluntarily paid \$5.00 to someone, possibly KOHL, to join the ANP. At the time [] said he considered it "just another political group." Someone also told him at the time that the names of all persons joining were furnished to the FBI. He did not fully understand the explanation of this, but it had something to do with getting police protection for members when there was a demonstration where trouble was anticipated.

[] said that after a time he left; FRANKHOUSER remained at headquarters. A week to ten days later [] received by mail his membership card in the ANP. He stated

this card bore his name and had a place for a small photo, but he did not attach a picture. This card, he stated, is with his things at Bainbridge, Md., now. [] drew a rough sketch of his card, about life size, which is being retained.

Once when ROY came to see [] at the latter's home, he was with another fellow who [] said was about [], a college graduate, and wore []. This fellow lived somewhere in Mt. Penn, Pa. Later [] recalled this person's name as CHARLES GRAUL. FRANKHOUSER said GRAUL was in the "States Rights Party."

On one occasion last fall, FRANKHOUSER, GRAUL, and [] went pistol shooting together. In about July or August 1964, [] had bought for \$47.00 a 9mm Luger. He bought this at the Lancaster Avenue Gun Shop in Reading, Pa., and had a paper from the police before buying the weapon. At the time the three went shooting, they went to the Daniel Boone Rod and Gun Club near Mt. Penn, Pa. FRANKHOUSER had a P-38, [] had his Luger, and GRAUL also had a Luger which he said he had only had a couple weeks. GRAUL was apparently a member of the Daniel Boone Club at least he said he had been there before.

A few days after [] joined the ANP, ROY offered to buy []'s Luger, and because ammunition was so expensive, [] agreed to sell it. ROY took the gun and was to give [] \$50.00 worth of other souvenirs but never did to date. [] also said that no papers were filled out for this private sale between him and ROY. He supposes this gun is still listed in his name, although he does not have it.

On the night of 12/29/64, ROY and others had a "going away party" for [] who was to report to the Navy the next day. [] said this party was held at the home of the tall fellow with a mustache he had met at the sale and whose name he still cannot recall. This man lives alone around the 1500 block of some street around [] or some such street.

FRANKHOUSER, GRAUL, himself, the owner of the place, and []'s friend [] were the only

PH 157-1359

ones at this party. [] insisted that [] is not a friend of the others; he was invited at []'s insistence as they are good friends. [] told [] about his membership in the ANP but [] was not in the least interested.

This party lasted quite late, [] got home well after midnight, and the next morning he had to catch a 6:00 a.m. train. ROY the night before had indicated he would be at the depot at 5:00 a.m. to see [] off, [] thought he was kidding, but actually FRANKHOUSER was there the next morning.

According to [], FRANKHOUSER has had numerous guns in the past; he often buys, sells and trades items, including weapons. FRANKHOUSER has also had numerous flags, books and some pictures allegedly taken by "HOFFMAN," who was Hitler's official photographer.

[] voluntarily admitted that he may be guilty of FAG because he signed some forms for the Navy denying membership in certain un-American organizations. He stated that he honestly does not feel the ANP is so regarded, but he does not know for sure.

[] was interviewed under oath and furnished a sworn signed statement regarding this, which is being reported separately.

On the afternoon of 2/18/65, Mr. [REDACTED], Reading, Pa., telephonically advised that at about 1:30 p.m. that date, he had observed ROY FRANKHOUSER and HANS SCHWEIKERT drive up and park near the [REDACTED] home in SCHWEIKERT's [REDACTED] car, [REDACTED] License [REDACTED]. SCHWEIKERT and FRANKHOUSER first went to [REDACTED], the home of [REDACTED], but apparently no one was home, as the door never opened. Then the two went to the home of [REDACTED], where they were admitted by Mrs. [REDACTED], who was apparently home with the children. A little while later, FRANKHOUSER and SCHWEIKERT carried several cartons out to SCHWEIKERT's car. These appeared to be some of the cartons which had been brought there several months ago by the O'Brien movers and consisted of cardboard cartons about 12" X 16" X 24" or thereabouts. It was impossible to determine what they contained; some seemed heavy by the way they were carried, though. The Subjects then drove away. Mr. [REDACTED] was positive that less cartons were removed than had been brought there earlier, however.

On the same date, SA [REDACTED] observed FRANKHOUSER and SCHWEIKERT carrying cartons from SCHWEIKERT's car, which was parked by a fire plug at 800 North 9th Street, into the front door at 806 North 9th Street. FRANKHOUSER did

"At the time I joined the ANP I was already in the Naval Reserve. On Dec. 31, 1964, I left for active duty in the Navy. Early in January, 1965 at Bainbridge NTC, Md., I filled out a personal history statement for the Navy. This form included questions about any past or present affiliations I had with various organizations. I recall questions about whether or not I was or ever had been a member of any Communist, Fascist or Un-American organization, or anyone dedicated to the overthrow of the US Government by force or violence. I answered all these questions 'No.'

"I do not believe the ANP was specifically mentioned in this form and I did not then, nor do I now, believe it was or is included in the above characterizations. I realized when I signed this form that I would be subject to fraud penalties if I lied, but I do not believe the ANP is so regarded.

"I have read the above statement and initialed two corrections. I swear that it is complete and true to the best of my belief.

"I am giving up my membership of the ANP immediately and will never participate in any of their activities or be in association with this group. As of now I have never been in any activity with them and the only association was that of joining and seeing R. Frankhouser.

Informant advised as follows:

ROY FRANKHOUSER contacted JOHN JURASINSKI earlier this date and gave him a letter addressed to JURASINSKI which had been received at PO Box 1432, Reading, Pa., from ALLEN WELCH, Deputy Commander of the ANP. This letter in general terms praises the work that JURASINSKI has been performing and indicates that he is in line for a promotion according to FRANKHOUSER.

FRANKHOUSER also had a letter from WELCH which was substantially praising the work performed locally and complimenting FRANKHOUSER on his selection of [REDACTED] as [REDACTED].

ROY related that there will be two meetings tomorrow (2/14/65) at Headquarters, 806 North 9th Street, Reading, Pa. There will be an ANP meeting at 2:00 p.m. and a Minutemen meeting at 7:00 p.m. ROY FRANKHOUSER will attend both. There is also a fellow from Wilkes-Barre coming to town 2/14/65. He is expected by ROY to arrive at about 10:00 a.m., ROY wants to be at Headquarters by that time to meet him and any others he might bring along.

FRANKHOUSER also showed JURASINSKI a German machine gun which he claimed he had picked up in Philadelphia

a few days ago. According to ROY, this gun is fully operational and ROY discussed deactivating it by removing and hiding some part, but apparently has not done this yet. He asked JURASINSKI if he knew how to do this, but JURASINSKI did not, and said he was afraid he might ruin the gun if he did anything to it. This gun has a wooden stock which can be removed by pressing a button. It is crudely made and has the letters "M P 44" stamped on one side. The clip sticks down from the middle of the gun and is apparently used to help hold the weapon. This clip, when FRANKHOUSER exhibited the gun, contained ammunition. FRANKHOUSER demonstrated how the weapon was loaded by pulling back the bolt. The weapon is about three feet long with the stock attached, but with it removed would probably fit in a brief case or small suitcase.

FRANKHOUSER intends to have this gun at Headquarters 2/14/65 to show it to the others there.

FRANKHOUSER also had a letter from one [redacted], Reading, Pa. This letter was addressed to "Mrs. [redacted]" and said something to the effect that the Womens International League for Peace and Freedom will meet 2/11/65 at 8:00 p.m. at the YWCA in Reading, Pa. This letter was postmarked 2/8/65 at Reading.

At one of the meetings 2/14/65 one of the LOTZ brothers will bring some material for [redacted] to keep in [redacted], Reading, Pa.

WELCH in his letter to JURASINSKI also asked JURASINSKI to make available enough paint, half white and half blue, to cover 350 square feet. WELCH indicated this would be used to paint the hall and stairway at ROCKWELL's headquarters.

Appropriate dissemination of the above pertinent information has been made by separate letterhead memo.

SUBJECT: ROY E. FRANKHOUSER, Jr.
RM

On 2/23/65 Detective Captain [REDACTED], Reading, Pa, PD advised that the PD was in receipt of an application to register a firearm from the subject.

INDEX
Application is dated 2/22/65. It indicates that ROY E. FRANKHOUSER, Jr., residing at [REDACTED], Reading, Pa., wanted to purchase a Luger from [REDACTED], USNRTS, Bainbridge, Md. FRANKHOUSER listed his employment as salesman for OPO Clothes, 8th and Penn Sts., Reading, Pa., and the weapon was described as a Model 1937 Luger, caliber 9mm, 4" barrel, serial number [REDACTED]. Application was submitted by Bills Bait & Sporting Goods, 1401 N. 10th St., Reading, Pa.,

Captain [REDACTED] stated that this is the procedure which must be followed when a private individual wants to sell a pistol to another person, the application must be handled through a regular dealer. Captain [REDACTED] detailed a man to verify FRANKHOUSER's employment and address, stating that if either was falsified he would not approve the permit, effectively preventing the legal sale.

Detective [REDACTED] telephonically contacted the present manager of OPO Clothes who advised him that FRANKHOUSER had been a salesman there but had only worked part time and had been laid off in about January, 1964.

Permit to purchase this weapon will be refused unless a correct application is subsequently submitted.

Source advised as follows on 2/15/65:

At the ANP meeting scheduled for 2 p.m. at 806 North 9th Street, Reading, Pa., yesterday, only ROY FRANKHOUSER and JOHN JURASINSKI showed up. No explanation was offered for the failure of the other local men to appear, but BOB SHILLING who was supposed to come from out of town called and said he was not coming because of the weather.

No business was transacted at this time. FRANKHOUSER had been at headquarters all morning; he had expected a fellow from Wilkes-Barre at 10 a.m., but he did not appear either. FRANKHOUSER mentioned that he likes his job as a bellhop at the Berkshire Hotel, where he makes 75 cents per hour. He is not busy and this gives him a lot of time to read and write letters. FRANKHOUSER mentioned that he has been spending on the average of \$60.00 per month for dues, postage and travel expenses in connection with his "political activities." He is giving CHARLES GRAUL \$25.00 per month towards the \$45.00 monthly rent of the premises at 806 North 9th Street, this amount is on account of the ANP room in the headquarters, plus a share of the heat and light and phone. FRANKHOUSER also mentioned that he had purchased a bulletin board and a blackboard for use at the ANP room.

Colonel WELCH of the ANP had written to FRANKHOUSER cautioning him that he was not to allow anyone except "card carrying ANP members" in the headquarters with the sole exception of JOHN JURASINSKI. FRANKHOUSER, SCHWEIKERT, WILSON and EDWIN LOTZ are the only local ANP members. NEW and GRAUL belong to the Minutemen but not the ANP, and all the above-mentioned are also Minutemen. TOOMBS is also a Minuteman; it is not known if he is also a member of the ANP. Minuteman dues are \$5.00 to join and \$2.00 monthly thereafter; ANP dues are \$5.00 monthly.

At 2 p.m. on 2/14/65 there was a white male, possibly 30 years old, observed in the outdoor pay phone across the street from headquarters; this person was still in the booth there at about 3:15 p.m. He did not appear to be talking on the phone, just standing in the booth. He was unknown to source, and may have been a policeman watching the building. Nothing was said about this person, however, by FRANKHOUSER or JURASINSKI.

FRANKHOUSER gave JURASINSKI for safekeeping the following letter:

Envelope was postmarked Reading, Pa., 1/4/65 and it bore the return address 612 Linden Ave., Muhlenberg Park, Reading, Pa. It was addressed to Mrs. [REDACTED], Post Office Box 431, Reading, Pa.

The enclosed letter was headed [REDACTED]
[REDACTED], Reading, Pa., 1/4/65 - Dear Mrs. [REDACTED] -
A copy of your letter to the Womens International League for Peace and Freedom, Philadelphia office, has been forwarded to me. I was pleased to learn that you are interested.

"A group of women from this area are trying to form a branch of WILPF. We have been meeting quite regularly; have had a meeting on Civil Rights and one on South Viet Nam - both public meetings.

"We would be pleased to have you join us on Thursday afternoon, January 7, at the YWCA, Reading, - Time 2 p.m.

"Telephone 929-3318

"Sincerely yours

/s/

(Mrs. [REDACTED])

JURASINSKI left headquarters about 3:15 p.m. FRANKHOUSER indicated he was going to remain there and get some rest.

[REDACTED]

At the 7 p.m. Minutemen meeting, FRANKHOUSER, JURASINSKI, CHARLES GRAUL and REX NEW were present. EDWIN LOTZ and WILSON LOTZ were absent; RANDOLPH TOOMBS was excused as he was still in Harrisburg. SCHWEIKERT arrived about 8:30 p.m. The meeting was almost over and FRANKHOUSER asked SCHWEIKERT to wait upstairs. He would not permit him to join with the others. FRANKHOUSER was apparently annoyed that SCHWEIKERT was so late.

At the 7 p.m. meeting the tape received from Sedalia, Mo., was played. Then ROY read a long letter he had received from ROBERT DE PUGH, head of the Minutemen. In this letter DE PUGH stated that they have an organization of about 36,000 persons at present, but intend to "cut out the deadwood" and reduce membership to only the dedicated and hardworking persons. Beginning soon no new members will be accepted in the local group; instead additional efforts will be devoted to education and training of those already belonging.

FRANKHOUSER stated that he hopes JOHN JURASINSKI can attend a training session to be held next summer for leaders, possibly in or near Kansas City, Mo.

REX NEW mentioned that he has a .30 calibre carbine and 200 rounds of ammunition. He also claimed to have "a dozen or two" sticks of dynamite and some blasting caps. NEW said he got these from "a gangster."

Nothing else was said about weapons at this meeting, and if FRANKHOUSER had his new machinegun there he did not indicate this, as he said nothing of it.

NEW also had a blue sheet of paper which he read and which was a sheet to be filled out by persons petitioning the FBI to stop investigating the Minutemen, and asking that they concentrate on Communists and other subversives instead. NEW said these were to be filled out and mailed, but he did not say where, nor were any copies available at the time. It was not clear from what NEW said if this was his idea and the sheet was a rough draft, or if he had received the form from someone else.

Another Minuteman meeting has been called for next Sunday, 2/21/65, at 7 p.m. REX NEW plans to bring a friend of his who is also interested in joining.

After the Minuteman meeting was over FRANKHOUSER called SCHWEIKERT down from upstairs where he was waiting. SCHWEIKERT indicated that he is concerned about the HCUA plans to investigate the ANP as recently reported in the newspapers. FRANKHOUSER said he had discussed this with ROCKWELL, and ROCKWELL said there was nothing to worry about, that if there is an investigation it will be only a "token" as most of the men who would investigate are "friends of ours if not actual members." FRANKHOUSER also quoted ROCKWELL as saying the investigation would also serve to convince the general public that the ANP is a legitimate organization and allay the fears of some who are now in sympathy but afraid to join.

Informant advised as follows on 2/11/65:

Last night JOHN JURASINSKI and ROY FRANKHOUSER were out in West Wyomissing, Pa., near ROY's mother's home, and ROY pointed out a house to JURASINSKI. This house was a single, white-frame place set back from the street and was on Cleveland Avenue about a block or two closer to Reading than FRANKHOUSER's mother's place. Because it was dark, no house numbers were visible, but it was on the south side of the street.

ROY told JURASINSKI that an old German fellow lives there. This man is a good friend of HANS SCHWEIKERT, ROY does not know him well, and does not know his name. This man served four years in prison as a German alien; he was arrested 12/9/41. FRANKHOUSER did not say if this man was a Nazi or member of the ANP or not, but inferred that he was from the manner in which he pointed out the house.

FRANKHOUSER now has a job. He starts working tonight (2/12/65) at the Berkshire Hotel, 5th and Washington Streets, Reading, Pa., as a bellhop. His hours will be from 10:00 p.m. to 7:00 a.m.

Yesterday it was discovered that someone had apparently tried to force open the cellar door at Headquarters,

806 North 9th Street. This door is located at the rear of the premises. Insofar as they could determine, no entry was gained; however, as a result, FRANKHOUSER turned over to JURASINSKI for safekeeping some few papers which had been in the Headquarters, and also gave him a tape recording which is to be played at the meeting 2/14/65.

ROY got this tape by mail from the Minutemen. It was sent from Post Office Box 246, Sedalia, Mo., to ROY at Post Office Box 1432, Reading, Pa. It is allegedly a recording of a speech by ROBERT DE PUGH in 1/65. This tape will have to be returned after it is played.

As a result of the attempted burglary of Headquarters, ROY has also made a change in the setup of the rooms. The room on the second floor at the southeast corner, which had been designated for ANP matters, will be used for Minutemen, and the room in the rear on the second floor, just at the head of the stairs, will be for ANP matters. GRAUL still sleeps just behind the former ANP (now Minutemen) room, and the first floor room at the southeast corner, below the Minutemen room, is where TOOMBS sleeps; also is used for NSRP matters..

FRANKHOUSER said that when he was down in Arlington to see ROCKWELL, he had gone through the records of contributors to see who in this area was giving ROCKWELL money. ROY said that ROCKWELL suggested that ROY contact some of these Reading area contributors personally if he needs funds in this area. According to FRANKHOUSER, a Post Commander of Gregg Post #12, American Legion, is a big contributor to ROCKWELL's movement. This man is no longer President of Post 12, but is a Trustee.

Someone from a town that sounds like Jeanette, Pa., is coming to the meeting Sunday.

Another contributor to ROCKWELL that ROY learned about recently and whom he intends to contact personally is a fellow named [REDACTED] or something like that. This youth is a friend of [REDACTED] and resides at [REDACTED] Reading, Pa. [REDACTED] works at [REDACTED] in Reading, Pa.

Informant on 2/12/65 related as follows:

FRANKHOUSER and JOHN JURASINSKI had a brief discussion today (2/12/65) and ROY ordered JURASINSKI to send a copy of the "General Orders" to [REDACTED] at Bainbridge NTS, Md., where YOUNG is stationed.

FRANKHOUSER also told JURASINSKI that he (ROY) will be getting his carbine as soon as he gets his income tax refund check, which should amount to about \$60.00.

CHARLES GRAUL is unable to keep up the payments on his Cadillac. They amount to \$28.00 per month at present, and he wants JURASINSKI to take the car and keep up the payments, so it will still be available to them all to use. JURASINSKI realizes this is a bargain, but is hesitant.

b6
b7C

According to FRANKHOUSER, stress at the meeting 2/14/65 will be on the Minutemen topic of what to do if a member is contacted by the FBI. Basically the instructions are that the person contacted should ostensibly cooperate, but should furnish only false information. FRANKHOUSER referred to this as being a double agent.

FRANKHOUSER saw [REDACTED]. He wants to join and has four other friends who are also interested, but ROY is afraid one or more may be a plant.

Pertinent portions of this memo are being disseminated separately by letterhead memo.

[redacted], R. Prob. (Protect identity) on 2/9/65 advised that on Saturday 2/6/65, ROY E. FRANKHOUSER, JR. had visited him at his home in [redacted] for several hours. He advised that FRANKHOUSER brought with him a submachine gun, believed to be of Czechoslovakian make. FRANKHOUSER left this weapon with [redacted] and told him it would only cost him \$60.00. [redacted] protested that he could not pay for the weapon then or in the foreseeable future. FRANKHOUSER insisted on leaving the gun with [redacted] because he was going on to Arlington, Virginia, and did not wish to take it with him. He also said he already had one such gun and it would be hard to explain (presumably to a law enforcement agency) having two of them in his possession. He left the gun with [redacted] and told him to pay him later or to sell it if he could.

On 2/10/65 [redacted] turned the submachine gun over to SA FRANCIS J. WALSH. The gun is presently in possession of the Baltimore Office.

On 3/4/65 [redacted] advised that he had received a letter postmarked at Reading, Pennsylvania 2/25/65. The letter was unsigned but was obviously from FRANKHOUSER and had return address: "P.O. Box 1432 Post Office Building, Reading, Pa". The handwriting was not FRANKHOUSER'S.

It is impossible to effectively arrange apprehension of FRANKHOUSER at Reading with this weapon because subject sometimes hitchhikes, sometimes travels by bus, and sometimes travels with associates in their cars. He has no automobile of his own. Likewise, on arrival in Reading, subject could secrete this weapon in any one of a number of places.

SUBJECT: ROY E. FRANKHOUSER, Jr.
RM

[REDACTED] advised 3/2/65 that a man named (FNU) [REDACTED] (PH) was in Reading, Pa., that date attempting to get in touch with FRANKHOUSER. This person allegedly called subject's father and several others. He told them that he was from Wilkes-Barre, worked in the VA Building there, and left his phone number, [REDACTED].

On 3/4/65 the above informant advised that pursuant to a call FRANKHOUSER made to [REDACTED], the two met at the US Post Office, Reading, Pa., at 7:30 PM 3/4/65 and on 3/5/65 the informant stated that [REDACTED] and FRANKHOUSER talked at some length in the lobby of the Post Office, not in some office. [REDACTED] allegedly questioned FRANKHOUSER about his possession of a machinegun or automatic sub-machine gun, and advised him of the necessity of a permit for such a weapon.

Reportedly FRANKHOUSER admitted to [REDACTED] that he had such a weapon, but that it was inoperative because the "shearing pin" was missing. FRANKHOUSER also admitted to [REDACTED] that he had other weapons, but [REDACTED] neither asked to see any nor did FRANKHOUSER show any, even the allegedly inoperative machinegun. [REDACTED] then left to return to Wilkes-Barre.

Thereafter FRANKHOUSER ~~10/11~~ said that apparently [REDACTED] (PH) from Wilkes-Barre, Pa., must have informed on him.

The Wilkes-Barre Office ^{RLA}ascertained 3/8-9/65 that [REDACTED] is with ^{ATTD}ATU, but he could not be located in the area. He is said to work alone and be away for long periods of time, but his headquarters office is at Allentown, Pa.

LEAD - At Allentown, Pa.

Disregard this lead - WED

Will contact ATTD and ascertain results of the inquiry they made about subject's alleged possession of a machinegun. ((This info originally came from this office)). Will discreetly ascertain if [REDACTED] did see or examine the machinegun FRANKHOUSER had in his possession, if any.

For additional info of Allentown and not to be disseminated to ATTD at least at this time, a Baltimore Informant on 2/9/65 reported that FRANKHOUSER had given him for sale or safekeeping, a Czech sub-machinegun, which, as of 3/4/65 was still in the possession of the Baltimore Office. Although BA did not specifically so state, the inference from their airtel is that this gun is in operating condition.

Re Philadelphia airtel to Director 3/8/65.

The submachine gun surrendered to the Baltimore Office by [redacted] R-PROB, appears to be in operating condition. [redacted] has no ammunition for the gun. Subject told [redacted] he would send him a sample of the ammunition so that he could obtain similar ammunition to fit the gun. FRANKHOUSER has never furnished this sample to [redacted]. A description of this weapon being furnished to the Bureau by separate communication with a request for a search through the National Stolen Property File.

It is not felt that exposure of [redacted] would be warranted at this time merely for the purpose of prosecuting FRANKHOUSER in connection with this particular weapon, for the following reasons:

1. [redacted] is currently the only racial source of value to the Baltimore Office. He has, in the past, been associated with the ANP, NSRP and PAN and continues to maintain contact and enjoy the confidence of some of the leaders of these organizations and he is in a position to keep the Baltimore Office advised of many forms of activities of right-wing, hate type groups.

2. In all his dealings with the Baltimore Office, [] has stressed the desire that his identity be kept confidential. He advised that he does not wish to testify except in a matter which would be of grave interest to the security of the United States. He has stated that he considers FRANKHOUSER and others of his ilk, as dangerous fanatics, who are, to some extent, mentally unbalanced. He feels his exposure might result in physical harm to himself, or members of his family.

It will be noted that []

As was set forth in Baltimore airtel to Philadelphia dated March 4, 1965, Baltimore is in possession of the sub-machine gun turned over by [], and will have ample notice when the gun is needed by him to return it to FRANKHOUSER. At the time the gun is turned over by [], he will know the individual to whom he is surrendering the gun and will have found out the method by which he intends to travel. The Baltimore Office would then be in a position to notify Philadelphia immediately.

In view of the above information, Baltimore feels it would not be wise to expose [] in this particular matter and that any attempt to immediately apprehend FRANKHOUSER

or any of his associates when the gun is turned over to them would result in the exposure of [REDACTED]. It should also be noted that information in the possession of both Baltimore and Philadelphia indicates that FRANKHOUSER and some of his associates have a considerable arsenal of weapons, some of which would also be of interest to the ATTD as well as to local law enforcement officers.

In view of this information, if [REDACTED] notifies the Baltimore Office that he needs the gun to turn over to FRANKHOUSER, the gun will be returned to him and Philadelphia will be notified by the most expeditious means, who the gun is given to and their method of transportation, as well as their destination, if known.

Baltimore is not aware of any [REDACTED] at

On the evening of 3/4/65, [REDACTED] telephonically advised that ROY FRANKHOUSER had called JOHN JURASINSKI and asked JOHN to pick him up at his mother's house in West Wyomissing and take him to the Post Office at Reading, Pa., by 7:30 p.m. where ROY was meet (FNU) [REDACTED] - the man who had been in town several days ago from Wilkes-Barre and was trying to see ROY. JURASINSKI will meet ROY about 7:00 p.m.

On the morning of 3/5/65, informant said that JURASINSKI and FRANKHOUSER had gone to the Post Office Building where ROY met [REDACTED] in the lobby. They talked at some length, although JURASINSKI was not present. [REDACTED] is a white male about [REDACTED] years of age, black hair, medium height and build, dressed in a dark business suit.

According to FRANKHOUSER, [REDACTED] is with Internal Revenue and talked to ROY regarding his possible possession of automatic weapons and the necessity for permits therefor. FRANKHOUSER reportedly told [REDACTED] he had a gun but that the "shearing pin" was off, and that it would not operate, hence it was a legal weapon. FRANKHOUSER also reportedly told [REDACTED] about the other weapons he has.

Reportedly [REDACTED] did not see any of these weapons, including the machine pistol, and took FRANKHOUSER's word that it was inoperative.

FRANKHOUSER told JURASINSKI later that apparently [REDACTED] (phonetic) from Wilkes-Barre must have informed on him but did not explain why he reached this conclusion. According to FRANKHOUSER, [REDACTED] from [REDACTED] has a sawed-off shotgun.

RePHlet to Bureau and New York 2/4/65.

Enclosed for the Bureau are eight copies of a self-explanatory letterhead memorandum. Copies as indicated on page 1A are also being furnished to New York, Baltimore, Richmond, Kansas City, and Birmingham, because of the interrelation of the Free Corps and other right wing groups.

Copies of the letterhead memorandum are also being distributed locally to OSI, ONI, INTC, and Secret Service will receive two copies.

Although this Office is aware that many of the claims of FRANKHOUSER are designed to magnify his own importance, and have little or no basis in fact, this group apparently presents a potential danger, and they have gone to considerable trouble and expense to further the aims of the group.

The local Reading, Pa., Police and the State Police at Reading have also been advised of the alleged activities of this group.

On 2/11/65 [REDACTED] related that FRANKHOUSER had pointed out a home in West Wyomissing, Pa., and related that the owner there was an old German, a good friend of HANS SCHWEIKERT, and that the man had been interned as a German Alien immediately after WW II broke out. The house pointed out was on the South side of Cleveland Ave., was a white frame home, by itself, a block or two closer to Reading than FRANKHOUSER's mother's place.

100-3225 *
Chief of Police DONALD SCHLEGEL, Spring Township PD, advised 2/23/65 that the description of the elderly German who was interned most closely fits ~~KARL G. STAEBLER~~, 2104 Cleveland Ave., West Lawn, Pa., who was interned as an Alien. Spring Township Census records reflect that STAEBLER was born in Germany on 5/8/02. His wife MARIE was born 2/25/1900 and KARL is a machinist at Textile Machine Works.

STAEBLER does reside in a single home at 2104 Cleveland Ave., the only discrepancy being that the house has a pink front porch. STAEBLER is very Teutonic in his appearance and speech, he has little to do with any of his neighbors. Chief SCHLEGEL stated that he believes STAEBLER is now naturalized however he is not positive of this. Other than the fact that he does not associate with any of his neighbors, SCHLEGEL has never heard anything reflecting on the character or associates of STAEBLER.

Informant furnished the following information on the dates indicated:

2/20/65

ROY FRANKHOUSER, HANS SCHWEIKERT, and CHARLES GRAUL left Reading, Pa., about 10:30 a.m. this date to go to Arlington, Va. They took along two gallons of paint for use at ROCKWELL's headquarters, as provided by JOHN JURASINSKI. Some of the Storm-troopers are going to paint the interior of Headquarters at Arlington, which is "pretty shabby." The trio went in GRAUL's car.

FRANKHOUSER went to see [REDACTED] last night. [REDACTED] is a local gun dealer. ROY has bought weapons and similar items from him in the past. A Minutemen Meeting is scheduled at the Reading Headquarters Sunday evening. According to FRANKHOUSER, persons from Pottstown, Minersville, and Philadelphia are scheduled to be there, in addition to the Reading group.

2/21/65

[REDACTED], by letter postmarked 2/14/65, received a membership card in the Daniel Boone Rod and Gun Club for the year 1965.

JURASINSKI has hired CHARLES GRAUL. GRAUL said he desperately needs work but he only wants to put in about 30 hours a week, no more. GRAUL is not staying at Headquarters full time now. JURASINSKI had to call him yesterday telling him when and where to report for work and reached him at his parents' home, [REDACTED] Mt. Penn, Pa. GRAUL claimed that he put out 500 copies of a 12-page letter to prospective members of the ANP and Minutemen.

There was a dance at the Liederkrantz last night. HANS SCHWEIKERT was there, also GEORGE SHUNK. SCHWEIKERT gave SHUNK the "cold shoulder," had nothing to do with him. SCHWEIKERT, FRANKHOUSER, and GRAUL returned from Arlington, Va., about 7 p.m. as ROY had to go to work at 10 p.m. SCHWEIKERT said that they "made out all right" at Arlington. Their purpose in going was to get the identities of persons from the Reading area who have sent contributions to ROCKWELL's ANP so they can be contacted locally for money and support, also to determine if they will actually join the ANP.

2/23/65

There was a regularly scheduled meeting of the local Minutemen Group held last night at the local Headquarters, 806 North 9th Street, Reading, Pa. The meeting began at about 7:55 p.m. Present were ROY FRANKHOUSER, HANS SCHWEIKERT, CHARLES GRAUL, RANDOLPH TOOMBS, JOHN JURASINSKI, and REX NEW. In addition, the following three new persons were present. It is not clear if they are actually Minutemen members or only prospective members at this time:

[REDACTED] - [REDACTED] is a big man in about his late [REDACTED]'s. He resides at [REDACTED], Cheltenham, Pa., and was formerly an instructor at [REDACTED]. From what was said it appears that he and FRANKHOUSER met about six months ago at ROCKWELL's Headquarters of the ANP in Arlington. [REDACTED] selected the code name [REDACTED] (phonetic).

[redacted]

[redacted] listed his address on a card only as [redacted]. It was not realized until after he was gone that no city was listed. [redacted] did not say much, nothing regarding his background was determined, but he has selected the code name [redacted].

[redacted] resides at [redacted], Spring City, Pa., and has taken the code name [redacted].

According to informant the fact that these men have been given code names indicates that if they are not actually members of the Minutemen they are at least applying for membership.

HANS SCHWEIKERT, who was not present at the last meeting when code names were assigned the local members, is to be called the "DESERT FOX."

SCHWEIKERT left Reading at 6 a.m., Monday, 2/22/65, to deliver a box of records to ROCKWELL in Arlington, Va. Apparently these were part of the items that FRANKHOUSER had in storage and took to the local Headquarters on 2/18/65.

From things that CHARLES GRAUL said generally, it is apparent that he is either already a member of the ANP or is in the process of joining, probably the former.

REX NEW has a .30 Carbine. He brought it to the meeting to show the others. FRANKHOUSER spoke to the others present urging that they immediately order their weapons, both the Carbines and handguns, as soon as possible. He recommended that each man secure either a .38 revolver or a .45 automatic. FRANKHOUSER brought his .32 Mauser to Headquarters to show the others. He also showed them a small fountainpen teargas gun that he said he had just purchased. None of these weapons were left at the Headquarters. When NEW and FRANKHOUSER left they took them with them. FRANKHOUSER also mentioned something about the possibility of securing an Armalite gun, but apparently he is not very familiar with this weapon because he could not explain anything about it to the others present.

At the meeting proper, FRANKHOUSER spoke on becoming a guerilla. He mentioned that they are governed by the "Three Rs," Ruthless, Relentless, and Resistance.

[REDACTED]

One of the new members who was there apparently has at least some equipment for reloading ammunition.

FRANKHOUSER mentioned that in his spare time at the Berkshire Hotel he is working on some affidavits, but he did not say what they pertained to, even when asked by GRAUL.

The next Minutemen Meeting will be next Sunday, 2/28/65, at 806 North 9th Street. JOHN JURASINSKI will be the featured speaker, talking on codes and security in general. The time scheduled is 7:30 p.m.

FRANKHOUSER stated that the telephone at Headquarters is "tapped" and should not be used. He did not indicate how he arrived at this conclusion.

The original tape was mailed to ROY E. FRANKHOUSER, PO Box 1432, Reading, Pa., with the return address PO Box 246, Sedalia, Mo. Postmark was illegible, the small package was apparently cancelled with a "hand stamp." The original tape is unavailable.

Re memorandum of Special Agent NORRIS S. HARTENSTEIN,
dated 2/16/65, at Philadelphia.

Mr. SAMUEL M. LUNINE, 2158 Highland Avenue, Mount Penn,
Reading, Pa., contacted Special Agent [REDACTED] on
3/2/65. LUNINE is about sixty-seven years of age; is self-
employed; and is a Consultant in the repair and renovation of
buildings. He is a World War I veteran; is a former State
Commander of the VFW; and is active in Jewish cultural affairs.

LUNINE has been active in the American Jewish
Committee for about twenty-five years; and, recently, a new
chapter of this organization was founded in Reading, Pa. This
founding meeting was attended by about twenty people in the
home of Dr. IMPINK.

LUNINE said he would cooperate on a voluntary basis
wholeheartedly with the Federal Bureau of Investigation in
any way possible; but requested, however, that his relationship
with the Federal Bureau of Investigation be kept confidential.
He was assured that his identity would be kept confidential.

LUNINE said that he is aware of local activities of
ROY FRANKHOUSER, JR., and his American Nazi Party connections.
He also said that he is aware that some of the local American
Nazi Party people are carrying guns, and that it was his
understanding that the group was trying to set up a local
headquarters, which would indicate that LUNINE is not aware of
the complete activities of the group inasmuch as the group
does have a headquarters.

With his background of activity in Jewish cultural organizations, it is not felt that further development as a racial informant would be productive since the American Nazi Party is notoriously anti-Jewish.

RACIAL MATTER

On the morning of 2/26/65, [REDACTED]
[REDACTED], Reading, Pa., and his brother, [REDACTED]

They advised that on Tuesday, [REDACTED] had

who had asked him if he had ever made any threat against
Vice-President HUMPHREY. [REDACTED] advised he had de-

They stated their purpose in stopping to see the
FBI was to find out what can be done about the matter.
[REDACTED] stated he runs a [REDACTED] business in
Reading at [REDACTED]; that he has a security
clearance and does some Government work. [REDACTED] noted
the matter has had him "shook up" for the past two days
since hearing about the matter; that he wants to go into
the matter further, as he is a business man and doesn't
want anything to happen that might affect his business.
He stated if someone has said his brother, who is em-
ployed by him, made any such statement, he feels his
brother should be able to face his accuser. [REDACTED]
stated that if anyone comes to town in the future, they
will probably check up on him. He will be on a list for
this purpose. He does not want this sort of embarrassment.

They were advised that the matter to which they
referred was one entirely between [REDACTED] and the

jurisdiction in the matter. They then requested information as to where they could contact Secret Service and were furnished with this information relative to the Secret Service Office in Philadelphia.

The current city directory lists the [redacted]

[redacted] s address is noted merely as Harrisburg.

[redacted] is noted as an employee of [redacted]

At 9:20 a.m. on 2/26/65, just as the [redacted] s departed the office, the phone rang. A long distance operator advised there was a person-to-person long-distance call for Mr. [redacted]. When informed he was not available, she inquired as to when he could be reached. She was informed this was difficult to say; however, it is possible he might be available to 1:00 p.m. She then went off the line, then returned to say they would try to call at 1:00 p.m. She was asked who was calling and advised that Mr. ROCKWELL, from Virginia, was the caller.

Subsequent to the aforementioned, Supervisor NORRIS S. HARZENSTEIN, at Philadelphia, was apprised relative thereto. He advised he would call Secret Service at Philadelphia and alert them relative to the [redacted] s' appearance as noted.

Supervisor HARZENSTEIN contacted Inspector JOSEPH STZOO at the Bureau telephonically and subsequently advised SA [redacted] should not make himself available for any call from ROCKWELL at 1:00 p.m.; that ROCKWELL had access to either Washington Field or the Bureau for any contact he desired with the Bureau. If ROCKWELL calls subsequent to 1:00 p.m. and SA [redacted] is present, he should take the call.

Supervisor HARZENSTEIN was also subsequently contacted telephonically and apprised relative to the [redacted] information as received from [redacted] and concerning [redacted] appearing before a Notary and repudiating the information he had previously furnished to SA [redacted] in a statement. [redacted] notes [redacted] s' repudiation is to be presented to Congressman RHODES, the idea of ROY FRANKHOUSER being to show harassment by the FBI. It would appear that this possibly could have been the reason for ROCKWELL attempting to reach SA [redacted].

On 3/8/65 Mrs. [REDACTED], wife of B.H. DAVIS, Sporting Goods, 1039 Greenwich St., Reading, Pa, advised that her husband is away on business, however she is aware that ROY FRANKHOUSER, [REDACTED], Reading, Pa., recently withdrew his order for a deactivated Sten Gun which had been placed with them. Instead FRANKHOUSER asked to apply the \$ 20 deposit he had put on the machine gun towards the purchase of a .30 calibre M-1 Carbine, semi automatic, one clip and one box of military ammunition (20 rounds). FRANKHOUSER picked up this weapon on 3/4/65.

On 3/5/65, Detective Captain [REDACTED], Reading, Pa., Police Department, made available photostats of the following described documents which had been given to him 3/4/65 by subject in conjunction with FRANKHOUSER's attempt to get permission to purchase a Luger automatic from [REDACTED] as previously noted:

1. Two-page, typed "Letter of Information" dated 3/2/65 signed by FRANKHOUSER. This defines residence, claims that the approval is being withheld on "so-called information" from the FBI on technical grounds that the residence and employment are incorrect, and encloses three so-called affidavits.

2. Typed sheet to whom it may concern, stating that ROY E. FRANKHOUSER, JR., uses [REDACTED] as his legal residence and stays here at times on a rental basis. This is signed [REDACTED].

3. Typed sheet "Statement of Fact" signed ROY E. FRANKHOUSER, SR., certifying that ROY, JR., does not reside at the father's home, conduct business or receive mail there.

4. Typed "Statement of Fact" signed Mr. [REDACTED], certifying that ROY does not live there, conduct business or receive mail there.

These copies are being retained in the 1A section of this file.

Captain [REDACTED] stated that when ROY was asked to produce a tax receipt, as he claimed he paid taxes from [REDACTED]

[redacted], he was able to produce one only for 1962 with the YMCA as his address. A check of taxes for 1963 and 1964 reflected that FRANKHOUSER was not billed for those years; he will be sent a notice for delinquent taxes for those years.

However, [redacted] stated he has conferred with the City Solicitor, who states that probably FRANKHOUSER's application to purchase the pistol will have to be approved as a matter of right.

On the afternoon of 3/5/65, ROY FRANKHOUSER, JR., was observed at the South Fifth Street branch of the Reading Trust Company. Inquiry reflected that he had tried to cash his pay check, issued by the Berkshire Operating Corporation, which runs the Berkshire Hotel; however, he had been refused because the Reading Trust Company has already cashed several such checks and knows the account has insufficient funds at this time.

ReBAAirtel dated 3/10/65 and PHairtel of 3/8/65, pertaining to the furnishing of a submachinegun, apparently in working order, to [redacted], a Baltimore racial source, by Roy E. Frankhouser, Jr., American Nazi Party member. [redacted], in turn, furnished the weapon to the Baltimore Office and commented that he will have ample notice when the gun is needed for return to Frankhouser.

Of primary concern is our responsibility not to place such a weapon into the hands of Frankhouser or his associates, whom [redacted] has described as dangerous fanatics.

Since the source has advised that Frankhouser was apparently interviewed by Alcohol and Tobacco Tax Division (ATTD), in Reading, Pennsylvania, Philadelphia's recommendation that ATTD be advised, is well taken. Philadelphia should promptly determine the interest and current status of investigation on the part of ATTD and advise Bureau and Baltimore. Upon receipt of this information and bearing in mind the possibility of a violation under our jurisdiction, Baltimore should immediately make recommendations as to future action.

NAZI FRANKHOUSER SEEKS GUN PERMIT FROM CITY POLICE

Reading's race-baiting Roy Frankhouser, Jr., a leader of the Nazi-like Fighting American Nationalists, has applied at City Hall for a pistol permit. The Record has learned.

The 26-year-old Frankhouser, who Fascist agitation has been spotlighted in previous Record articles, listed his address in the 600 block of Front Street, in Reading.

Actually, he has listed many local addresses in recent years but is rarely seen here. He is believed to spend much of his time in the Washington, D.C., area, working out of F.A.N. headquarters.

When queried by The Record about the Frankhouser application, Detective Capt. Joseph Canfora said:

"We haven't granted the pistol permit yet because he hasn't proven his address. He must produce a tax receipt or some evidence that he actually resides at that Front Street number."

Asked if Frankhouser's activities as an organizer for F.A.N. -- also known as the American Nazi Party --

FASCIST FRANKHOUSER
...real address unknown

EXCLUSIVE RECORD PHOTO

wouldn't prohibit issuance of a pistol permit, Canfora cited the law:

"Anyone can purchase a gun who has not been convicted of a crime of violence. We have no such conviction on our records. If he can

prove his residence we must give him the permit."

There may not be any conviction in local police files concerning Frankhouser's bully-boy activities, but The Record has published accounts of his imprisonment in other cities.

He has been arrested and jailed in Baltimore, Pittsburgh and Atlanta -- to name but three of the larger cities -- and three years ago was charged with assaulting an Atlanta policeman.

Prior to his visit to City Hall last Friday, when he asked why his application was being delayed, Frankhouser was last known to have been active in the Reading area in August 1963, when The Record found him on Penn Square, distributing anti-Negro literature. He was not bothered here, but four days later was jailed in Pittsburgh for violating a city ordinance involving the same activity.

The Front Street address he listed last week is a new one. On previous occasions he had given an address in the 400 block of South 5th Street.

I, Special Agent [REDACTED], being
duly sworn, make the following free and voluntary statement:

On February 8, 1965, I interviewed [REDACTED]
[REDACTED], the mother of [REDACTED], who furnished informa-
tion concerning the association of her son with Roy Frankhouser
and the American Nazi Party. Mrs. [REDACTED] related that a letter
from Rockwell in Arlington, Va., had come for her son "early
in January" which contained among other things a bill for
\$5.00 dues.

Mrs. [REDACTED] wanted advice as to what to do which
was not furnished to her; however, it was suggested that her
son might like to contact the Agent.

[REDACTED] called Special Agent [REDACTED] at the
latter's home at approximately 11 a.m., February 13, 1965,
and stated in effect, "I have something I want to get off
my chest." It was telephonically explained to [REDACTED] that
he was under no obligation to talk to the Agent or furnish
any information; however, if he desired to do so Agent would
make himself available. A meeting was arranged for 2 p.m.
that date at the Reading Resident Agency.

At that time, [REDACTED] arrived dressed in [REDACTED]
[REDACTED]. [REDACTED] was again advised of
his rights, namely, that he was under no obligation to say

anything, or make any statement, and that anything he did say could conceivably be used against him in a court of law. He was told he had a right to consult with an attorney or anyone else prior to making a statement. At this time, there was no indication of any possible Fraud Against the Government violation and the interview was not under oath.

[redacted] for a period of approximately one hour related details of his association with Frankhouser and the latter's associates and admitted that he joined the American Nazi Party in Arlington, Va., about mid-December 1964 while visiting there with Frankhouser.

At 3:17 p.m., [redacted] mentioned the "government form" which he had executed early in January at Bainbridge. He was immediately advised that this possibly constituted Fraud Against the Government. He was again advised of his rights as set forth above, and when he opposed no objection was placed under oath.

At that time, the facts as related by him pertaining to possible Fraud Against the Government were reduced to the statement which was typed. After reading same, [redacted] requested some changes and the statement was retyped. At that time, he signed it, swore that it was true, and added one paragraph in his own handwriting. It is noted that the statement sets out in its preamble [redacted] had been advised of his rights.

Relative to the allegation of a threat, it is the Agent's recollection that [redacted] on his own initiative asked, "What happens to me now?" and was told this was a matter for the Attorney General's office and the Navy Department to decide. He was advised that the maximum penalty for Fraud Against the Government was five years and/or \$5,000 and that the Navy conceivably would give him a dishonorable discharge.

Regarding the blanket statement that Agent slandered Roy Frankhouser and the American Nazi Party, this is wholly untrue. It is my recollection that [redacted] did approximately 90 per cent of the talking in response to questions and

that Agent was careful to mention names only after they

At noon on 3/16/65 Alex Quaison-Sackey, Pres. of the U. N. Assembly, representative from Ghana, spoke to the Reading Rotary Club, Reading, Penna. After the meeting he toured the City and stopped at City Hall.

Capt. [REDACTED], Detective Bureau, Reading PD, advised on 3/16/65 that the visit to Reading was made without any incident.

Capt. [REDACTED] noted that in the afternoon about a half hour before Quaison-Sackey arrived at City Hall he observed Roy E. Frankhouser walking west on Washington past City Hall to 8th and then turning and walking south on 8th Street. He felt this was in all probability a coincidence as he felt Frankhouser did not know when Quaison-Sackey was due to arrive at City Hall. In any event Frankhouser or his cohorts caused no trouble with regard to the visit of Quaison-Sackey.
